1.0 GENERAL INFORMATION/CALENDAR OF EVENTS

Through this Request for Applications (RFA), the New York State Office of Children and Family Services (OCFS) is accepting applications for Invest in NY Child Care Grants to new programs, to address the lack of available child care in areas of the state that qualify as child care deserts.

Applicants must operate in accordance with all applicable laws, rules and regulations.

Note: Throughout this document, **the terms *proposals, bids, and applications* are used interchangeably, as are *applicants, offerors and bidders*.**

If the offerer discovers any ambiguity, conflict, discrepancy, omission, or other error in this RFA, the offerer shall immediately notify OCFS (See **Section 1.1 Procurement Integrity/Restrictions on Communication**) of such error in writing and request clarification or modification of the document.

If prior to the deadline for submission of written questions an offeror fails to notify OCFS of a known error in or omission from the RFA, or of any error or omission or prejudice in bid specification or documents with the RFA that the offeror knew or should have known, the offeror agrees that it will assume such risk if awarded funds, and the offeror agrees that it is precluded from seeking further administrative relief or additional compensation under the award by reason of such error, omission, or prejudice in bid specification or documents.

Licensed/Registered/Permitted: This funding opportunity is available to licensed and registered child care programs as well as Article 47 group day care programs issued permits by NYCDOHMH, which will collectively be referred to as “licensed” in this funding opportunity. **This RFA is ONLY for newly licensed programs, not for existing programs.** A future, separate RFA will be released for existing programs looking to expand.

Child care programs are regulated by The Office of Child and Family Services (OCFS), except New York City-based day care centers, which are regulated by the New York City Department of Health and Mental Hygiene (NYCDOHMH). Programs are considered Registered, Licensed or Permitted depending on the type of program (modality) and location. Information regarding the requirements for Registered and Licensed programs can be found here <https://ocfs.ny.gov/programs/childcare/regulations/>. Information regarding the requirements of NYC Permitted programs can be found here <https://www1.nyc.gov/site/doh/business/permits-and-licenses/children-and-adolescents-childcare.page>.

1.1 Procurement Integrity/Restrictions on Communication

Please be advised that state law prohibits any vendor from exerting or attempting to exert any improper influence relating to its application. “Improper influence” means any attempt to achieve preferential, unequal, or favored consideration of an

application based on considerations other than the merits of the application, including but not limited to any conduct prohibited by the Ethics in Government Act, as set forth in Public Officers Law §§ 73 and 74.

All questions about this RFA document must be addressed to the director of contracts in the Procurement Unit or his/her designee(s) at OCFS, via email investnychildcare@ocfs.ny.gov with “*RFA#1 (New Programs)*” in the subject line.

1.4 Submission of Written Questions

All communications to report errors or omissions in the procurement process, ask questions, or to request clarification of this RFA should cite the particular RFA section and paragraph number and must be **submitted via email to investnychildcare@ocfs.ny.gov with RFA#1 (New Programs) in the subject line** no later than the deadline for submission of written questions specified in **Section 1.2 Calendar of Events**.

Questions received after the deadline for posting responses to written questions may not be answered. The comprehensive list of questions and responses will be posted in the solicitation announcement in the New York State Grants Gateway System (<https://grantsgateway.ny.gov>) (GGS or Grants

Gateway), on the OCFS Website (<http://ocfs.ny.gov/main/bcm/RFA.asp>), and the Contract Reporter website at (<https://www.nyscr.ny.gov/login.cfm>) on or about the date specified in **Section 1.2 Calendar of Events**.

To view the comprehensive list of questions and responses that are posted to the NYS Grants Gateway, click the link under the grant opportunity announcement in the Grants Opportunity Portal.

1.5 Submission of Applications

All proposals must be submitted electronically through the Invest in NY Child Care Online Application, which will be available on the OCFS website at the Application Submission Start Date.

Please refer to **Section 5.0: APPLICATION CONTENT AND SUBMISSION** for further information.

1.6 OCFS Reserved Rights (Amended on 2/9/22)

OCFS reserves the right to

1. place a monetary cap on the funding amount made in each grant award;
2. change any of the schedule dates stated in this RFA prior to the due date for the submission of proposals;
3. reject any or all proposals received in response to the RFA;
4. withdraw the RFA at any time at the agency's sole discretion;
5. make an award under the RFA in whole or in part;
6. disqualify any bidder whose conduct and/or proposal fails to conform to the requirements of the RFA;
7. reject any proposal if, in the sole discretion of OCFS, it determines the bidder is not a responsible vendor;
8. seek clarification and revisions of proposals. Request bidders to present supplemental information clarifying their proposals either in writing or by formal presentation. Other than the requested clarification and supplemental information, submission of new information is not permitted;
9. require that bidders demonstrate, to the satisfaction of OCFS, any feature(s) present as a part of their proposal, which may include an oral presentation of their proposal. Any such demonstration or presentation may be considered in the evaluation of the proposal;

10. amend any part of this RFA prior to opening of bids, with notification to all bidders, and direct all bidders to prepare modifications addressing RFA amendments, if necessary. Expenses incurred in the preparation of any proposals or modifications submitted in response to this RFA are the sole responsibility of the bidder or other party and will not be incurred or reimbursed by OCFS;
11. make funding decisions that maximize compliance with and address the outcomes identified in this RFA;
12. fund only one portion, or selected activities, of the selected bidder's proposal and/or adopt all or part of the selected bidder's proposal based on federal and state requirements;
13. eliminate any RFA requirements that cannot be met by all prospective bidders upon notice to all parties that submitted proposals;
14. waive procedural technicalities or modify minor irregularities in proposals received after notification to the bidder involved;
15. correct any arithmetic errors in any proposal or make typographical corrections to proposals with the concurrence of the bidder;
16. award to the next highest bidder if the selected bidder(s) does not meet the RFA requirements within an acceptable time frame. No bidder will have any rights against OCFS arising from such actions;
17. fund any or all of the proposals received in response to this RFP. However, issuance of this RFA does not commit OCFS to fund any proposals. OCFS can reject any proposals submitted and reserves the right to withdraw or postpone this RFA without notice and without liability to any bidder or other party for expenses incurred in the preparation of any proposals submitted in response to this RFA and may exercise these rights at any time;
18. require clarification at any time during the procurement process and/or require correction of arithmetic or other apparent errors for the purpose of assuring a full and complete understanding of an offeror's proposal and/or to determine an offeror's compliance with the requirements of the solicitation;
19. make additional awards based on the remaining proposals submitted in response to this RFA and/or provide additional funding to awardees if such funds become available;
20. make inquiries of third parties, including but not limited to, bidder's references, with regard to the applicants' experience or other matters deemed relevant to the proposal by OCFS. By submitting a proposal in response to this RFA, the applicant gives its consent to any inquiry made by OCFS;

21. require contractors to participate in a formal evaluation of the program to be developed by OCFS. Contractors may be required to collect data for these purposes. The evaluation design will maintain confidentiality of participants and recognize practical constraints of collecting this kind of information;
22. consider statewide distribution and regional distribution within New York City, including borough distribution methodology, in evaluating proposals
23. rescind awards for failure of awardees to provide all required W-9 and vendor responsibility information required by OCFS upon request or if applicant does not meet the licensing requirements to operate the program;
24. cancel this RFA, in whole or in part, at any time and to reject any and all proposals when appropriate in the best interests of the state; and
25. make adjustments to the funding amount requested based on program need and based on the total dollar value of the applications submitted.
- ~~34.~~ **26.** redistribute funds between the total dollar available among modalities and regional funding amounts and total value of award bonuses if funding is left over to maximize the distribution of available funds. Additionally, unused funding may be redistributed from this RFA to the Invest in NY Child Care Emergency Request for Applications (RFA) for Existing Programs to fully utilize ARPA funding.

1.7 RFA Definitions (Amended on 2/9/22 and 3/24/22)

Base Funding: is based on number of slots and/or modality of care and program site location in two broad geographic areas of the state. **Section 2.3, Purpose and Funding Availability**, provides the available funding by REDC and program type.

Capacity: the maximum number of children authorized to be present at any one time as specified on the license.

Desert Census Tract: for the purpose of this funding opportunity, means a Census Tract where there are 3 or more children under 5 years of age for each available child care slot, or there are no available child care slots in the census tract. Available child care slots used for this analysis include infant, toddler, and preschooler slots in licensed day care centers and NYCDOHMH permitted (Article 47 programs only) group day care programs, as well as 6 weeks to 12-year-old slots in licensed group family day care and registered family day care, based on licensed capacity as of October 2021. All Census Tracts in New York State have been mapped depending on the number of available slots, and information can be found on the Child Care Desert Map: https://bit.ly/cc_deserts Refer to **Section 5.2 Application Content** for definition of deserts for the purposes of scoring.

Diversity Index:

the Diversity Index from Environmental Systems Research Institute (ESRI) represents the likelihood that two persons, chosen at random from the same area, belong to different race or ethnic groups. Ethnic diversity, as well as racial diversity, is included in the analysis. ESRI's diversity calculations accommodate up to seven race groups. If an area is ethnically diverse, then diversity is compounded. The Diversity Index is available down to the block group level geography.
http://downloads.esri.com/support/whitepapers/other_/2015_USA_ESRI_Diversity_Index_Methodology.pdf

Downstate region: is defined as: NYC, Long Island (Nassau, Suffolk), Westchester region (Dutchess, Orange, Putnam, Rockland, Sullivan, Ulster, Westchester)

In Good Standing: is a licensed child care program in a payable status that is not the subject of certain enforcement actions by OCFS or the New York City Department of Health and Mental Hygiene (DOHMH).

Ineligible Statuses Include:

Ineligible OCFS enforcement statuses:

- Suspension of License
- Limitation of License
- Suspension and Proposed Revocation of License
- ~~Proposed Revocation of License~~ (amended 3/24/22)
- Denial of Application to Renew License

Ineligible DOHMH enforcement statuses:

- Permit Revoked
- Permit Suspended
- Out of Business
- Expired

Questions as to NYC enforcement status should be referred to NYCDOHMH.

Infant/Toddler Slots: Infant/Toddler slots are child care services provided to a child between the ages of birth up to 36 months. Such services and staffing must meet all regulatory and program requirements for this age group. For NYC Article 47 day care centers, infant/toddler programs are defined as a child care program that provides care to children younger than 24 months of age.

Modalities: Type of program being provided. Please see <https://ocfs.ny.gov/programs/childcare/regulations/> for full legal definitions.

- **Family Day Care (FDC)** a program caring for children for more than three hours per day per child in which child day care is provided in a family home for three up to eight children.
- **Group Family Day Care (GFDC)** a program caring for children for more than three hours per day per child in which child day care is provided in a family home for seven up to twelve children, plus a possible four additional school-age children, for a total of sixteen children

- Day Care Center (DCC) a program or facility which is not a residence in which child day care is provided on a regular basis to more than six children for more than three hours per day per child for compensation or otherwise
 - For NYC Article 47 Day Care Centers: Child care program means any program providing child care for five or more hours per week, for more than 30 days in a 12-month period, to three or more children under six years of age.
- School Age Child Care (SACC) a program or facility which is not a residence in which child day care is provided to an enrolled group of seven or more children under 13 years of age during the school year before and/or after the period such children are ordinarily in school or during school lunch periods. School-age child care programs also may provide care during school holidays and those periods of the year in which school is not in session, including summer vacation.

New Program: An individual or entity ~~that is not licensed and is~~ applying for licensure to operate a child care program at a specific location **that it is not currently operating (Amended on 3/24/22)**. The OCFS status of “Application Requested” or “Application Received” must be met at the time of initial grant application. Applicants granted pre-approval must meet the minimal threshold of licensing information as defined in OCFS policy (See Attachment 2, Minimum Submission Requirements for OCFS Child Care Licensing/Registration) within 60 days of date on pre-approval letter and be granted a license for a new program within 120 days from the date on the grant pre-approval letter. NYC applicants must meet all permitting requirements by 120 days from the date on the grant pre-approval letter.

~~Programs that are changing their modality and expanding their capacity (for example, a Family Day Care (FDC) that is going to become a Group Family Daycare (GFDC) are considered a “new program.” (Amended on 2/9/22)~~

Please note: Programs that are changing their modality to add to their capacity for example, a Family Day Care (FDC) that is going to become a Group Family Daycare (GFDC) is considered a “new program.” An existing licensed provider who is opening a separate location would be considered opening a “new program” if that new location did not have a license previously. Programs or providers that held a license within the year preceding the issue date of this RFA or are current license holders and are changing locations or their legal entities but not, in fact, expanding their licensed capacity are not eligible to apply. (Amended on 3/24/22)

Non-Traditional Hours (Amended 3/24/22): those hours of care provided after 7 pm until 6 am, as well as weekends and the following federal holidays: New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. Programs must meet all regulatory and program requirements for these services and obtain license approval to provide services during these hours.

For NYC Article 47 Day Care Centers, non-traditional hours **are defined consistent with the RFA definition and threshold. Please note: Programs wishing to offer overnight care need to comply with NYC** ~~are considered a~~ Night Child Care **permit** program **requirements**, defined as “a child care program that accepts children for care starting at 5 P.M., provides child care services between 5 P.M. and 8 A.M., and operates more than one night per week, for more than 30 days in a 12-month period.

Non-Traditional hours of care as defined in the RFA must be available a minimum of 15 hours per week for all modalities of care except for SACC. SACC programs must have care available during 75% of all school breaks and holiday breaks in accordance with their local school calendar. Summer hours are not included in this percentage for SACC to be eligible for non-traditional hours.

REDC- Regional Economic Development Council:

(<https://regionalcouncils.ny.gov/>), click on Regions to select your region. The Councils are public-private partnerships made up of local experts and stakeholders from business, academia, local government, and non-governmental organizations. NYS Empire State Development (ESD) serves as the lead agency managing the Regional Councils. State agencies, authorities and departments are active participants working with the Councils and provide necessary resources. In addition, academic institutions, think tanks and other independent organizations are invited by the Regional Councils, as appropriate.

Rest of NY includes: All New York State counties outside of the Downstate Region.

2.0 EXECUTIVE OVERVIEW

2.1 Introduction/Description of Program Objectives and Background

New York State has identified \$100M to address child care deserts by building and expanding licensed child care capacity to those areas of the state with the least supply. The resulting award is for the purpose of increasing the number of available child care slots in New York State in those areas identified as areas of need. Utilizing funding from the American Rescue Plan Act (ARPA), this funding represents an unprecedented opportunity to build capacity and strengthen the state’s economy, by addressing the issues that impact businesses including chronic absence, productivity reductions and turnover due to inadequate options for quality child care in the most needed parts of the State. This funding further recognizes the acute shortage of infant and toddler child care and the lack of available child care outside of standard business hours and days. This document outlines all eligibility, program and allowable expense requirements relating to the Invest in NY Child Care grant.

OCFS and the Council on Children and Families (CCF) have created an online mapping tool outlining the Census Tracts in NYS that are child care deserts as well as a potential score on this RFA should a program apply from that area. All applicants should review the map carefully for more details on their proposed program site. Attachment 3 - the REDC Child Care Deserts Map is available at: https://bit.ly/cc_deserts

OCFS reserves the right to amend the terms and conditions of this grant opportunity and any updates to this document will be posted on the OCFS website.

2.2 OCFS Statewide Considerations

Racial Equity Framework for Invest in NY Child Care Initiative

With a historic investment in building child care supply in New York State, we must ensure that a racial equity framework is built into the funding opportunity so that communities of color who were hardest hit by the COVID-19 pandemic are prioritized and supported in building back child care slots.

Child care providers and their staff are primarily women and people of color, making this funding opportunity a chance to partner with these leaders and entrepreneurs and make impactful investments that can make real change for families and communities.

This racial equity framework will be highlighted throughout the planning and award process to ensure the opportunity is structured to support these principles.

Racial Equity Principles:

In NYS, we know that we must do more to address racial equity. For the purposes of this funding opportunity, we choose to take action by implementing the following principles in our work:

To stand with people of color and center the voices of people with lived experience throughout the policymaking process;

To collect and analyze data disaggregated by race and ethnicity to understand and address disparities and publicize this information to bring transparency and accountability to the process;

To expand the focus of racial equity in our work by continuing to examine and address the systemic causes of inequities;

To be anti-racists, committed to actively fighting racism and bigotry in all parts of the initiative.

2.3 Purpose and Funding Availability **(Amended on 2/9/22 and 3/24/22)**

OCFS will make available \$100 million in the Invest in NY Child Care: Child Care Desert grant program. Federal funding is available through ARPA. This RFA is making \$63M available **for new programs only**, with applications due at the date and time in the **Section 1.2 Calendar of Events**. \$7M will be reserved to fund grant award bonuses on awards for new programs under this RFA, for a total of \$70M (70% of total available grant funds).

A separate RFA will be released in the future, totaling \$30M, for expansion of existing programs.

Invest in NY Child Care grants is accepting applications **for new programs** during the date and time period in **Section 1.2 Calendar of Events**, though OCFS reserves the right to extend the application period or add a separate additional application period if additional funding becomes available. Providers can receive only one award per licensed program. If a provider is submitting an application for multiple program sites, a separate application must be submitted for each program site.

Grants awarded under this RFA will be for the \$63M in new programs and up to \$7 million in bonuses. The following chart shows the maximum total for the base grant that may be awarded under this RFA by Regional Economic Development Council (REDC) and program type:

2021-2022 Child Care Desert Grant Awards- (Amended 2/9/2022) Total Award amounts per child care program, distributed over two years assuming licensure occurs within 120 days of the date of the OCFS pre-approval letter. The final amount of award may be reduced if licensure does not occur within this time period.

Center-based child care awards are calculated on a per licensed child care slot basis according to the licensed capacity

Modality	Location	Two Year Annual Award Amount per Slot	Two Year Maximum Award Amount Cap
Group Day Care (GDC)	New York City	\$9,000	\$500,000
Day Care Center (DCC)	Long Island RO and Westchester RO	\$9,000	\$500,000
	Rest of NY	\$7,000	\$400,000
School Age Child Care (SACC)	New York City	\$3,300	\$300,000
	Long Island RO and Westchester RO	\$3,300	\$300,000
	Rest of NY	\$2,500	\$200,000

Per slot group day care and day care center award amounts were calculated as follows: The Center for American Progress' (<https://www.americanprogress.org/issues/early-childhood/reports/2021/06/28/501067/true-cost-high-quality-child-care-across-united-states/>) estimated annual cost per toddler for high quality center-based child care in New York was taken as the full cost of care per slot for NYC, Long Island Region, and Westchester Region, and prorated at 75% for all other regions in New York. Per slot cost was multiplied by 50% to subsidize, but not fully fund, care. Finally, the per slot cost was prorated by 65% in order to calculate meaningful award amounts, but not to exceed available funding, based on estimated number of new programs that will open during the funding opportunity, average program size, and qualification for funding based on location in a child care desert. Awards will be calculated on a per slot basis.

Per slot school age child care award amounts were calculated as follows: The Center for American Progress' (<https://www.americanprogress.org/issues/early-childhood/reports/2021/06/28/501067/true-cost-high-quality-child-care-across-united-states/>) estimated annual cost per preschooler for high quality center-based child care in New York times 50% was used to estimate the full cost of care per school age slot for NYC, Long Island Region, and Westchester Region, and prorated at 75% for all other regions in New York. Per slot cost was multiplied by 50% to subsidize, but not fully fund, care. Finally, the per slot cost was prorated by 65% in order to calculate meaningful award amounts, but not to exceed available funding, based on estimated number of new programs that will open during the funding opportunity, average program size, and qualification for funding based on location in a child care desert. Awards will be calculated on a per slot basis.

Home-based child care awards are calculated on a program basis for licensed capacity

Modality	Location	Two-Year Annual Award Amount Per Program
Family Day Care (FDC)	New York City	\$18,000
	Long Island RO and Westchester RO	\$18,000
	Rest of NY	\$14,000
Group Family Day Care (GFDC)	New York City	\$30,000
	Long Island RO and Westchester RO	\$30,000
	Rest of NY	\$23,000

Per program award amounts were calculated as follows: The Center for American Progress' (<https://www.americanprogress.org/issues/early-childhood/reports/2021/06/28/501067/true-cost-high-quality-child-care-across-united-states/>) estimated annual cost to operate a home-based child care in New York was taken as cost for group family day care home programs for NYC, Long Island Region, and Westchester Region, and prorated at 75% for all other regions in New York. The cost for family day care home programs was prorated at 60% of the group family day care costs. Finally, the per program cost was prorated by 85% in order to calculate meaningful award amounts, but not to exceed available funding, based on estimated number of new programs that will open during the funding opportunity, average program size, and qualification for funding based on location in a child care desert.

Grant Award Bonuses

1. Infant/Toddler Care: (Amended on 3/24/22)

Infant/Toddler slots are child care services provided to a child between the ages of birth up to 36 months, or up to 24 months for NYC Article 47 day care centers. Such services and staffing must meet all regulatory and program requirements for this age group.

Providers who receive a license for infant/toddler capacity will receive an additional \$3,000 per infant/toddler slot annually. To be eligible for this bonus, providers must provide staffing plan/work schedules, staff qualifications and staff attendance log documentation to meet the staff/child ratio for the awarded slots. In addition, the program must report on their quarterly report the number of infant/toddler enrolled for each quarter of the grant to receive the quarterly payment for providing these slots.

Family Day Care programs applying for this bonus, will be eligible for funding for up to two slots. Group Family Day Care programs applying for

the bonus, will be eligible for up to four slots. Please note: this does not impact how many children providers are allowed to care for by their license and applicable regulations.

2. Non-Traditional Hours: (Amended on 3/24/22)

Providers who receive a license and will **be available to** provide care during non-traditional hours (which is defined as after 7 pm until 6 am, as well as weekends and the following federal holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day, or per a NYC Night Child Care Program), and who report on their quarterly report the number of youth that they provided non-traditional hour care for the quarter will receive an additional \$3000 per year per awarded slot. Providers must also provide documentation of fire drills and/or shelter in place drills, request for additional shift of care, staffing plan/work schedules, staff qualifications and staff attendance log documentation to meet the staff/child ratio for the awarded slots.

For NYC Article 47 Day Care Centers, non-traditional hours are defined consistent with the RFA definition and threshold. Please note: Programs wishing to offer overnight care need to comply with NYC Night Child Care permit program requirements, defined as “a child care program that accepts children for care starting at 5 P.M., provides child care services between 5 P.M. and 8 A.M., and operates more than one night per week, for more than 30 days in a 12-month period.”

Non-Traditional hours of care as defined in the RFA must be available a minimum of 15 hours per week for all modalities of care except for SACC. SACC programs must be available during 75% of all school breaks and holiday breaks in accordance with their local school calendar. Summer hours are not included in this percentage for SACC to be eligible for non-traditional hours.

Allowable uses of the Child Care Desert Funding

For purposes allowed under the Federal guidelines and incurred from the date of the grant application submission, allowable uses of the Invest in NY grant award funds include:

- Program development costs and short-term program operating expenses, including but not limited to: Personnel costs, including payroll, salaries, similar employee compensation, employee benefits, retirement costs, educational costs, other child care business expenses; and supporting staff expenses in accessing COVID-19 vaccines; Rent (including under a lease agreement) or payment on any mortgage obligation, Utilities (heat, insurance, electricity). For home-based providers, expenses should align with their approved cost allocation methodology.
- Training and technical assistance expenses, including professional development, business trainings, and business services.

This Invest in NY Child Care RFA emphasizes the importance of paying a livable wage for child care staff. New providers cannot succeed unless there is an emphasis on recruiting, retaining and training staff to fill the needs of the program. Overwhelmingly, staff at child care programs are women, and over 30% are women of color, and in order to achieve equity, funding levels in this RFA must address fair workforce wages.

Workforce expenses are eligible expenses and applicants are encouraged to use funds to incentivize hiring, provide hiring bonuses, and other workforce expenses.

Examples of Allowable Expenses include, but are not limited to, the list provided in Attachment 4, List of Allowable Expenses

Building and Construction Funding

Funding available through this Emergency RFA cannot be used for major renovations or capital expenses, per Federal CCDF guidelines. Providers requiring capital funding will be assisted in identifying potential funding sources through their Regional Economic Development Councils and other potential sources.

Federal awarding agencies have certain responsibilities related to the federal awards they make. Code of Federal Regulations (CFR) Title 2 §200.210 of the “Pre-federal Award Requirements and the Contents of Federal Awards,” of the Office of Management and Budget (OMB) Uniform Guidance (2014) provides the federal award information that must be provided to each subrecipient of a federal award. OCFS has determined that awardees under this procurement are deemed Subrecipients as outlined in 2 CFR §200.330 for the purpose of carrying out a portion of a Federal award. OCFS is providing this information to assist the awardee meeting the Contract Provisions for Non-Federal Entities Appendix II to 2 CFR Part 200.

In addition, please review Attachment 5 - ARPA Federal Grant Requirements.

No payment advances will be allowed under this procurement.

As noted in **Section 1.6 OCFS Reserved Rights** above, OCFS reserves the right to place a monetary cap on the funding amount made in each award.

2.4 Term of Award & Payment Information (Amended on 2/9/22 and 3/24/22)

Invest in NY Child Care awards are for up to two years. Applicants will apply starting no earlier than 4/11/22 and ending no later than 5/19/22. Once award decisions are made, grant awardees will be sent a pre-approval letter. Upon license approval, **verification of SFS ID as provided or created through the application**, and after applicants are determined to be responsible by OCFS after submitting their Vendor Responsibility information, a formal award letter will be issued. **Final award amounts and ongoing payments will not exceed**

the lower of the number of slots proposed as of the application submission date or the capacity approved for the license, and may be adjusted based on quarterly inspections per Section 4.1, Desired Outcomes and Program Requirements. Upon licensure and award, grant payments can be applied to eligible project expenses that applicants paid beginning on the grant application submission date. Final grant payments will not be made after June 30, 2024. **(Amended on 3/24/22)**

Payment Information

Funding is currently anticipated to be available for the duration of the grant but depends on continued availability of federal funds which are not guaranteed. Providers may not begin to provide child care prior to the licensing date, and awardees cannot use the funds for any eligible expenses incurred prior to the grant application date (if awarded); OCFS has no obligation to pay for services rendered prior to that time. Payments cannot be made prior to formal grant award and completion of all pre and post-award requirements including vendor responsibility.

The first of 8 quarterly payments will be made at 1/8th of the total award amount after the license has been issued to the new program and all pre and post-award requirements are met. The additional 7 payments will be made quarterly after the initial payment as long as the awardee is meeting all deliverables as indicated in **Section 4.1 Desired Outcomes and Program Requirements**.

In addition to the initial payment, the remaining base award amount will be split into quarterly payments over 7 quarters, and will be made to providers who remain open, provide in-person care (or have staff on site to provide care for approved slots), are “in good standing” and whose quarterly inspection or desk review shows grant deliverables are met for the quarter. Providers must submit any **Section 4.1** program deliverable documentation requested by OCFS within 30 days following the ending of each quarter completion and complete the OCFS quarterly certification within the OCFS grant system. Providers will be required to maintain documentation of all grant-related expenses but not required to submit documentation to OCFS unless requested to do so.

Infant/Toddler and Non-Traditional Hour bonus payments will be paid at the end of each quarter in equal payments when the applicant completes the quarterly certification and the required deliverables are met as stated in **Section 4.1 Desired Outcomes and Program Requirements**.

If programs close before the end of the **up to (amended 2/9/22)** 2-year grant period, they will not be eligible for OCFS grant funds after the date of program closure and will be required to return any unspent grant funds received to OCFS.

To be eligible for all award payments, all newly licensed providers must be “In good standing” and not in an ineligible status as defined in **Section 1.7 RFA**

Definitions Questions as to NYC enforcement status should be referred to NYC DOHMH.

Providers have until the award end date to make any payments for allowable Invest in NY Child Care Grant uses in accordance with the terms and conditions of this grant opportunity. All records relating to the program and funding must be maintained for 6 years after the end of the grant period, per Federal and State record retention rules.

3.0 MINIMUM QUALIFICATIONS TO APPLY AND PREQUALIFICATION PROCESS

3.1 Minimum Qualifications to Apply (Amended on 2/9/22 and 3/24/22)

Eligible Providers Must:

(Numbering Amended on 2/9/22 – other changes in Section 3.1 Amended on 3/24/22 unless otherwise annotated)

1. Be opening a new program that scores at least 30 points in categories A1-A4 in **Section 5.2 Application Content**.

Important Notes:

- **All applicants must communicate the proposed location of the child care program to their licensor/ regulator prior to submission of the grant application, except NYC Article 47 day care centers, which must submit their application for a permit prior to submitting the grant application. If the proposed program site location must change after the pre-license site visit, applicants must provide a new site location meeting site requirements to their licensor/regulator by the Section 1.2 Application Submission Deadline, to be eligible for funding. Failure to update the new program location and information (# to be served may change, etc.) ~~in~~ by (Amended 2/9/22) the Application Submission Deadline will eliminate the program from being funded considered.**
- **For OCFS applicants, if at any time during the grant period, an applicant ~~applies~~ that applied under one business type (sole proprietor, LLC, etc.) ~~but~~ chooses to change their business type prior to the grant concluding, formal notice is required to be provided to OCFS licensor/regulator within 30 days of the file date for the new business type. Notice is also required for any change in Taxpayer ID within 30 days of the change. Failure to notify OCFS of this change will risk the grant and associated payments being delayed or rescinded. Please note that some business organization changes require an application for a new license.**

Have applied to become a **new** licensed day care program **but not yet received a license** or NYCDOHMH permitted Article 47 day care center **but not yet received a permit** or will apply to become a licensed or permitted program upon notification of grant pre-approval. **NYC DOHMH permitted Article 47 day care centers must have applied to become a new licensed day care program but not yet received a license before the Application Submission Date (Amended 3/24/22).** Programs that are changing their modality and expanding their capacity (for example, a Family Daycare (FDC) that is going to become a Group Family Daycare (GFDC) are considered a “new program.” Note: Programs that are in “Application Requested/Received” status or under review, as long as they are not granted a license or permit by the time the RFA is issued, are eligible to apply.

~~2.~~

- ~~3.~~ Have submitted their **request for an application for license before grant application submission**. All applicants must complete the online Orientation BEFORE applying:
<https://ocfs.ny.gov/programs/childcare/providers/cdc-orientation.php> and at the completion of the Orientation, applicants can request a licensing application.

OR (Amended 3/24/22)

For programs applying to become an NYCDOHMH Article 47 day care center, you must attend a pre-permit orientation (check the box next to “Group Child Care and Summer Camp Orientation Sessions”, then click “Continue” at the bottom of the page) before applying for a new permit. After you have attended that orientation, you can apply for a permit for a new child care program. **NYC programs must have submitted their application for a permit before beginning an application for this grant opportunity.**

- ~~4.~~ Certify they will meet certain requirements for the duration of the time they are receiving grant payments. Providers must attest in their application to all statements to be considered for award including all attestations in **Section 4.1**.
- ~~5.~~ Attest willingness to accept families receiving child care subsidy, though providers will not be required to maintain families receiving subsidy throughout the duration of the grant if the families chose another provider.
- ~~6.~~ Certify that within the first six months of the award, to develop a sustainability plan for after the award ends and will develop that plan in partnership with their CCR&R, OCFS, their Regional Economic Development Council (REDC) and other local and state stakeholders.
- ~~7.~~ Certify that the organization will participate in annual meetings for Invest in NY Child Care awardees, focusing on technical assistance and support

for programs, in addition to any regional awardee meetings for the duration of the grant term. These meetings, with OCFS, Council on Children and Families (CCF) and other partners, will be scheduled in advance with enough notice to all providers.

7. ~~8.~~ Certify that the organization will complete business development trainings within the first year of the award. OCFS and their CCR&R will assist with providing resources of available trainings. Business development trainings may charge a fee, which is an allowable expense for this award.
8. ~~9.~~ Certify that the organization will work to coordinate the child care program with any relevant public school district implementing a Pre-K program, as applicable.
9. ~~10.~~ Certify that the organization will collaborate with the local maternal, infant, and early childhood home visiting program and/or actively discuss how the home visiting program could provide professional development/coaching to the child care program.
10. ~~11.~~ Certify that the organization will work to serve certain high-need populations, such as children experiencing homelessness and/or children in foster care, as appropriate.
11. ~~12.~~ Certify that my organization agrees to the workplan deliverables and program requirements in **Section 4.1, Desired Outcomes and Program Requirements**.

Programs that are in “Application Requested/Received” status or under review, as long as they are not granted a license or permit by the time the RFA is issued, are eligible to apply.

The following providers are NOT eligible to apply under this RFA:

- Existing programs with a license/registration/permit.
- Programs or providers that held a license within the year preceding the issue date of this RFA or are current license holders and are changing locations but not, in fact, expanding their licensed capacity.
- Programs that do not meet requirements for licensure.
- Programs that receive 100% of their funding from public sources such as Head Start/Early Head Start or publicly-funded Pre-K programs are not eligible.

3.2 Vendor Responsibility Requirements (All Applicants) (Amended 3/24/22)

Section 163(9)(f) of the NY State Finance Law requires that a state agency make a determination that an applicant is responsible prior to awarding that applicant a state contract. Vendor responsibility will be determined based on the information on-line and information provided by the applicant, on-line, through the Invest in NY Child Care grant application. **For grant awards**

~~\$100,000 or over, Not For Profit businesses will answer the Not For Profit Business Entity questions and For-profit businesses will answer the For-Profit Business Entity questions.~~ For **all** awards **under \$100,000**, a limited portion of questions will be required to be answered by providers. OCFS will review the information provided before making an award.

OCFS reserves the right to reject any application if, in its sole discretion, it determines the applicant is not a responsible vendor. All applications are subject to a vendor responsibility determination before the formal grant award is made, and such determination can be revisited at any point prior to each grant payment. Vendors must maintain their vendor responsibility throughout the duration of the award.

4.0 PROGRAM REQUIREMENTS

4.1 Desired Outcomes and Program Requirements (Amended 3/24/22)

Programs who are approved for licensure will increase the availability of child care access to the children and families of New York State. Programs will be inspected on a quarterly basis by the applicable oversight agency for their modality and region. The program must cooperate with local authorities on this inspection process and have all of the documentation listed in the Invest in NY Child Care Grant Program Deliverables chart below available on their assigned inspection dates.

The programs will adhere to all applicable rules and laws outlined in the NYS regulations which are available at <https://ocfs.ny.gov/programs/childcare/regulations/> or NYC DOHMH requirements for NYC GDC programs which are available at <https://www1.nyc.gov/site/doh/business/permits-and-licenses/children-and-adolescents-childcare.page>. Programs will have the required space and staff to accommodate the slots awarded under the grant. Staff must be present as documented by staff work schedule plans and attendance logs.

Programs will continually attempt to meet and maintain full enrollment and attendance throughout the grant period. The program will engage with their local Child Care Resource and Referral Agency to assist in this goal.

Those applicants which are awarded pre-approval for Invest in NY Child Care grants must complete the licensing process for the proposed capacity to receive final approval for funding. Applicants granted pre-approval must meet the minimal threshold of information as defined OCFS/ NYC policy (See Attachment 2, Minimum Submission Requirements for OCFS Child Care Licensing/Registration) within 60 days from the date of the grant pre-approval letter, and a be granted a license for a new program within 120 days from the date on the grant pre-approval letter date unless there are extenuating circumstances and the provider submits documentation demonstrating that the delay is out of the providers control for OCFS final determination. NYC DOHMH

applicants who are not granted permit approval by 120 days must submit documentation demonstrating the delay is out of the providers control for NYC/OCFS final grant determination. OCFS will apply the same review criteria to all provider submissions. Once the required license is granted, OCFS will proceed with the Vendor Responsibility review and award process for the Invest in NY Child Care Grant funding to providers deemed responsible. If the license is not granted within 120 days (from the date on the grant pre-approval letter) OCFS reserves the right to withdraw its pre-approval and funding.

Please note: If the license is not granted within 120 days but the applicant is deemed eligible for the grant award, applicants will not be open and operating which means they may not meet the grant deliverables to receive all eight (8) payments. This is because the grant period ends on 6/30/2024 and no quarterly payments may be made beyond this date.

To be eligible to receive an award from OCFS, once the license is received, the provider must remain “In good standing” which is defined as a child care program that is licensed and at the time of the signing of the attestation is not the subject of an active enforcement action by OCFS or the NYCDOHMH.

QUALITYstarsNY Participation:

QUALITYstarsNY is New York’s Quality Rating and Improvement System (QRIS) for early childhood programs, and is designed to assess, improve, and sustain early care and education quality in all licensed programs. **Newly licensed child care programs that are awarded Invest in NY Child Care Grant Program funds must apply for Start with Stars, a QUALITYstarsNY initiative.** Once selected for participation, programs must enroll and participate in QUALITYstarsNY for the duration of the grant period. Programs that receive Invest in NY Child Care funds and do not participate in Start with Stars once selected, may jeopardize their grant award. School Age Child Care (SACC) programs are not currently eligible to participate in QUALITYstarsNY, but SACC programs will be required to apply once available.

Start with Stars is a short term, intensive program that supports early childhood programs that are newly established as well as those with challenges related to meeting regulatory requirements before they begin participating in QUALITYstarsNY. Participants benefit from a variety of resources, at no cost, to support them to establish new programs or classrooms that meet high-quality standards. The features of participating include, but are not limited to, the following:

- Intensive technical assistance and support to rapidly address foundational and regulatory issues and get on the path to providing high quality early childhood education opportunities;
- Frequent contact with a designated Quality Improvement Specialist, an expert in the early childhood field, who will work closely with program leadership to define quality goals and to provide regular support;

- Access to high quality materials, supplies, and equipment to improve the learning environment; and
- Individualized professional development and training opportunities on various early childhood topics.

In collaboration with their Quality Improvement Specialist, the program leader will identify tailored strategies and resources needed to meet their goals, ultimately leading to a transition to QUALITYstarsNY, to continue the development of the program and receive their initial Star rating.

Providers must apply to QUALITYstarsNY for participation in QualityStarsNY or Start with Stars, within 30 days of their license being issued. The Aspire Registry is the first step to applying to QUALITYstarsNY, and grantees will join the Aspire Registry for New York’s Early Childhood Workforce by first creating an Organization Account for their program. For information on how to create an Organization Account, please visit nyworksforchildren.org.

More information and directions on how to apply for Start with Stars and QUALITYstarsNY can be found here: <https://qualitystarsny.org/providers/start-with-stars/>.

All programs must meet and continue to meet all licensing requirements throughout the period. Grant deliverables do not replace licensing requirements. Not achieving grant deliverables impacts only the grant award and does not absolve the provider from not meeting licensing requirements.

Reduction(s) of quarterly funding:

- If deliverable one (1) and two (2) are not met, the program will not receive any quarterly funding allocations for each quarter they do not meet the deliverables. Programs that have a status of ineligible will not receive any funding for the quarters they are in this status.
- Programs not meeting the requirements for deliverable three (3) and/or four (4) will receive a 25% reduction of that quarterly award for each deliverable not met.
- Programs receiving the enhanced funding for deliverable five (5) and/or six (6) that do not meet the criteria above will not receive the enhanced funding for each quarter that they do not meet the criteria.

Quarterly Inspections for Awardees

All awarded providers will receive quarterly onsite inspections by the OCFS Regional Office in their region or DOHMH, depending on status. Site visits will include a review of the program deliverables mentioned above. In the event an

inspection is not possible, the documents identified in the “How Deliverable is measured” chart above must be submitted by the program for quarterly claiming. Attachment 6, Ongoing Eligibility Report provides the checklist that OCFS or DOHMH staff will use to perform the quarterly onsite inspections.

OCFS reserves the right to require programs to submit the documentation required in the Invest in NY Child Care Grant Program Deliverables chart above and all program records at any time throughout the grant period and for six years following the end of the grant period. Programs may be subject to audit during or after the grant period.

Attestations for Providers (Amended 3/24/22)

Child care providers must certify they will meet regulatory and other grant requirements for the duration of the time they are receiving grant payments. Providers must attest in their application to all statements in order to be considered for award and to receive quarterly payments under the grant.

As a recipient of the Invest in Child Care grant, I attest that I will:

- Meet all grant requirements for the duration of the time I am receiving grant payments.
- Will apply or **have already applied** to become an OCFS licensed day care program, or **have already applied to be a** NYC permitted group day care (as defined in Article 47 of the New York City Health Code).
- Accept families receiving child care subsidy, as space permits.
- Will develop a sustainability plan for after the grant term date to encourage long term success, within the first six months of the grant
- Commit to meeting all workplan deliverables and providing any necessary documentation regarding deliverables.
- Will participate in annual meetings for Invest in NY Child Care awardees, focusing on technical assistance and support for programs, in addition to any regional awardee meetings for the duration of the grant term. These meetings, with OCFS, Council on Children and Families (CCF) and other partners, will be scheduled in advance with enough notice to all providers.
- Within 30 days of being issued a license or registration, I will join the Aspire Registry and apply to Start with Stars.
- I will notify the Office of Children and Family Services (OCFS) within 7 days of any changes to information provided in this application, including, but not limited to,
 - the closure of my child care program,
 - change in the active status of my program including but not limited to enforcement action and voluntary inactive status
- I understand that if my child care program permanently closes during the grant period, I must return all unspent funds and am no longer eligible to receive any additional grant payments. I understand that funding can be used until 9/30/24 as long as the program is open and serving children
- I agree that my program will comply with all OCFS regulations and New York State Department of Health guidance, and New York City Department of Health and Mental Hygiene regulations if applicable, and

maintain good standing (as defined in this RFA) and, to the greatest extent possible, implement policies in line with guidance from the Centers for Disease Control and Prevention (CDC) (available at <https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/guidance-forchildcare.html>).

- If I am receiving the Infant/Toddler bonus funding, I commit to ensuring those funded slots remain available to infant/toddlers for the entirety of the grant period with all required staff. For home-based programs who receive the infant/toddler bonus, I commit to filling all awarded bonus slots with infant/toddlers or holding those slots available for infant/toddler enrollment.
- If I am receiving the Non-Traditional Hour bonus funding, I commit to operating my program during those non-traditional hours (which is defined as after 7 pm until 6 am, as well as weekends and the following federal holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day) ~~or operating as a Night Child Care program per NYC DOHMH requirements, and provide documentation and staff payments to cleared staff to meet the staff/child ratio for the awarded slots during those hours.~~

For NYC Article 47 Day Care Centers, non-traditional hours are defined consistent with the RFA definition and threshold. Please note: Programs wishing to offer overnight care need to comply with NYC requirements to be considered a Night Child Care permit program, defined as “a child care program that accepts children for care starting at 5 P.M., provides child care services between 5 P.M. and 8 A.M., and operates more than one night per week, for more than 30 days in a 12-month period.”

Non-Traditional hours of care as defined in the RFA must be available for a minimum of 15 hours per week for all modalities of care except for SACC. SACC programs must be available during 75% of all school breaks and holiday breaks in accordance with their local school calendar. Summer hours are not included in this percentage for SACC to be eligible for non-traditional hours.

To comply with all audit and monitoring requirements of this grant and project, as a recipient of this grant, I understand and agree to the following statements:

- OCFS or its agents may monitor this application and use of funds to ensure the accuracy of the information that I have provided and the proper use of funds.
- I understand that at any time, I may be asked to produce records for verification including receipts and proof of payment purposes upon audit of any Invest in NY Child Care funds.
- I agree to provide information and supporting documents as requested.
- I agree to provide, for audit purposes, access to the child care facility for which this application is submitted, information and documentation related to the application and use of funds, and access to interview child care staff members in connection with this application and the use of funds received.

- I must retain supporting documentation for a period of six years following the last quarter for which funding was provided and promptly submit it to OCFS upon request.
- I understand that providing false or inaccurate information on this application or improper use of funds will result in the return or repayment of funds. I agree to repay funds as required by OCFS.
- I agree to report the use of funds received to OCFS or its agents upon request.
- I agree I will not reduce salary or benefits to employees of my child care program for the duration of the grant term. For each employee of the child care program, I agree to pay at least the same amount in weekly wages and maintain the same benefits (such as health insurance and retirement, if applicable) for the duration of this grant.
- I agree to prevent any involuntarily furlough of employees from the date of application submission through the duration of the grant period, to the extent possible.
- I agree to provide relief from copayments and tuition payments for the families enrolled in my child care program, to the extent possible, and prioritize such relief for families struggling to make either type of payment.
- I agree that I cannot use Invest in NY Child Care funds to pay for expenses expressly covered by another external source or grant, e.g., the Child Care Stabilization grant, the Paycheck Protection Program (PPP), or to supplant other federal or state funds.
- I must spend all Invest in NY Child Care funds by September 30, 2024.
- **I certify that grant funds will be used in accordance with Federal guidelines with eligible expenses incurred since the date of grant application submission.**
- **I certify that I understand the grant funds cannot be used for major renovations or capital expenses, per Federal CCDF guidelines. Support for renovations and contraction activities may be available through my Regional Economic Development Council and other sources.**

Applicants will sign and attest in the grant application portal that all information is true and accurate to the best of their knowledge.

Applicants will attest in the grant application portal that they have read and agree to the terms and conditions and are an authorized person to submit this application.

4.2 Accessibility of Web-Based Information and Applications

Any web-based Intranet and Internet information and applications development or programming delivered pursuant to this procurement must comply with New York State Enterprise IT Policy NYS-P08-005, Accessibility Web-Based Information and Applications, and New York State Enterprise IT Standard NYS-S08-005, Accessibility of Web-Based Information Applications, as such policy or standard may be amended, modified or superseded, which requires that state agency web-

based intranet and internet information and applications are accessible to persons with disabilities. Web content must conform to New York State Enterprise IT Standards NYS-S08-005 as determined by quality assurance testing. OCFS will conduct such quality assurance testing and the test results must be satisfactory to OCFS before web content will be considered a qualified deliverable under the contract or procurement.

5.0 APPLICATION CONTENT AND SUBMISSION

5.1 Application Content and Scoring

NOTE: This section describes the application process, what you need to submit in your application and how answers will be scored. Please refer to **Section 5.3 Application Submittal Process**, for information on how to submit your application.

Grant Application Process

Step 1: Review Licensing and Grant Requirements: Review this document and complete the online orientation, located here: <https://ocfs.ny.gov/programs/childcare/providers/cdc-orientation.php>. You will need to create an account to start the orientation video. The video is 1hr long.

After completing the video orientation, providers must request an application, either electronically for day care centers or sent via postal mail for home-based providers at the following address.

For NYC DOHMH potentially permitted programs, providers should visit the permitting information webpage at: <https://www1.nyc.gov/nycbusiness/description/group-child-care-center-permit>

Important Notes:

- Assistance is available through the technical assistance sessions (see step 2) and your local Child Care Resource and Referral Agency. Click [here](#) to locate the contact information for the CCR&R in their region. CCR&R assistance is targeted at assisting providers with license requirements and assisting in site/modality questions, business practices, and other processes needed to successfully establish a child care program.
- Submit your request for a license before you submit an application for funding.
- **All interested and eligible applicants, after review of these grant terms, must watch the OCFS Orientation video and formally request a licensing application from OCFS.**
<https://ocfs.ny.gov/programs/childcare/become-a-provider.php>.

Step 2: Determine the Child Care Program Business Type: The grant application will require that providers identify their business entity type, such as a business or a nonprofit organization. Providers will be asked to provide the Tax Identification number, and type (Employer ID No. (EIN), Social Security No. (SSN) Individual Taxpayer ID No. (ITIN) that will be used to submit tax returns to the Internal Revenue Service and the legal business name. Because starting an organization can take time, applicants are encouraged to submit these materials as soon as possible. If you have questions on this information, you should ask your accountant, lawyer or seek information from your local CCR&R and/or Small Business Development Center.

Step 3: Technical Assistance Sessions: Attend the announced grant technical assistance sessions that will be held prior to application submission. While attendance is not mandatory, the sessions will provide important information to help providers succeed. Refer to **Section 1.3 Technical Assistance Sessions for Applicants** for the full training list, it includes technical assistance in the areas of best business practices, determining community daycare needs, and application process and submission training.

Step 4: Grant Application Submission: Providers will complete an online application to provide details on their proposed program and how it will address child care deserts, infant and toddler slots and/or non-traditional hours (if applicable) in their area of the State. Providers may submit their application for licensure prior to receiving notice of grant approval.

OCFS and the Council on Children and Families (CCF) have created an online mapping tool outlining the Census Tracts in NYS that are child care deserts as well as a potential score on this RFA should a program apply from that area. All applicants should review the REDC Child Care Deserts Map carefully for more details on their proposed program site: https://bit.ly/cc_deserts

OCFS will review each grant application against a set of scoring criteria in **Section 5.1, Application Content and Scoring** and available funding as described in **Section 2.3, Purpose and Funding Availability** to determine whether the application can be granted pre-approval. Providers must indicate the proposed capacity for the new program they are applying for and be within regulatory requirements. Applicants should be aware that final capacity may be limited by factors outside of OCFS authority, including localities Certificate of Occupancy and other local rules and regulations. Invest in NY Child Care final award amounts will be determined by final licensed capacity.

Important Notes:

- Applicants must submit 1 application per facility ID/DCID in response to this RFA.
- After grant application submission, OCFS or its designee will conduct a preliminary site inspection of day care centers of the proposed program address entered into the application to determine if the location meets the

requirements for the proposed program. Home-based child care programs will receive a site inspection at the time of licensing. Please note that if it is determined during this visit that a change in site is required or number of children to be served, the applicant will be notified to go into their grant application to change any of the program and site information to reflect any changes needed for the proposed program. This must be done before the deadline listed in **Section 1.2 Calendar of Events** to be considered for funding. Applicants who do not make the change by the deadline will not be considered for funding. When selecting an alternate site, consider which census tract and REDC the address is located in as a change in location may result in a change in the funding available.

- Applicants are encouraged not to wait for a grant pre-approval letter to submit their application for licensure. As soon as they can meet the minimal threshold of information as defined in OCFS policy (See Attachment 2, Minimum Submission Requirements for OCFS Child Care Licensing/Registration) they should submit their application, to move along in the licensure process.
- Pre-approval is not a guarantee of funding, applicants must have an approved license and be deemed responsible for the proposed program to be issued a formal award.

Step 5: Licensing and Pre-Award Requirements: Once granted pre-approval, providers must complete the licensing process for the proposed capacity to receive funding. A license for a new program must be granted within 120 days (from the date on the grant pre-approval letter) to the provider unless there are extenuating circumstances and the provider submits documentation demonstrating that the delay is out of the providers control for OCFS final determination. OCFS will apply the same review criteria to all provider submissions. Once the required license is granted, OCFS will proceed with the Vendor Responsibility review process for the Child Care Desert Grant funding. If the license is not granted within 120 days (from the date on the grant pre-approval letter, OCFS reserves the right to withdraw its pre-approval and funding.

Please note: If the license is not granted within 120 days but the applicant is deemed eligible for the grant award, applicants will not be open and operating which means they may not meet the grant deliverables to receive all eight (8) payments. This is because the grant period ends on 6/30/2024 and no quarterly payments may be made beyond this date.

Applicants with an approved license and who meet all pre-award requirements will receive a formal letter informing them of their award based on their approved licensed capacity. If an applicant with pre-approval is not able to be licensed, OCFS will rescind their pre-approval and no award will be made to the program.

To be approved for formal award and payment, all programs must be in good standing with OCFS or NYC DOHMH, be deemed a responsible vendor by OCFS and must agree to follow all regulations promulgated by OCFS, the New York State

Department of Health, and NYC DOHMH, if applicable, regarding the COVID-19 pandemic as well as other grant reporting requirements. Grant payments made directly to the child care provider will be based on the type of program, maximum capacity allowed under the license, and adjusted for geography.

5.2 Application Content **(Amended on 3/24/22)**

The application will consist of responses to the following questions in the Application. These will be found in the online application available on the OCFS website at the date of the Application Submission Start Date.

Applicants must complete all of the questions for the application to be considered complete.

Eligibility Questions:

Please review and respond to **Eligibility Questions** carefully. See RFA **Section 3.1 Minimum Qualifications to Apply** for additional information regarding requirements. These questions must be answered in the grant opportunity portal available on the OCFS website on the Application Submission Start Date. **There will not be a written application, do not submit paper applications. Applications will only be accepted via the application portal available on the OCFS website.**

Program Application Questions (Up to 105 points SACC providers, Up to 110 points for all other Modalities)

Please refer to **Section 5.1 Application Content and Scoring** for additional information and guidelines regarding these questions.

Scoring of Grant Applications: (Amended on 3/24/22)

Grants will be scored separately by program type (modality) based on the scoring matrix below that includes whether the proposed program:

1. Is in a high, medium or low level of child care desert census tract
2. Is in a REDC with a high medium or low rate of desert
3. Is in an area with a high score on Diversity Index²
4. Serves a high poverty neighborhood, as identified by the percentage of families at or below 200% Federal Poverty Level.

Bonus points will be available to programs who propose:

5. Slots to serve Infant/Toddler populations (SACC n/a)
6. Slots providing non-traditional hours

No.	Question	Max. Points SACC	Max Points Other Modalities
A. Program Location			
A1. *Average ratio of children to slots only includes census tracts with a calculated ratio. Census tracts with no child care are coded as deserts but do not have a valid ratio.

Forms Required Within the Application

The information from the forms below will be required to be provided in the application. **Please review the forms so that you can pull together the information you need to fill out your application in the online grant portal.**

- A. **Attachment A-2, Federal Assurances and Certifications**
- B. **AC 3237-S**, Substitute Form W-9 - Recipients of grant awards must also be registered in the New York Statewide Financial System (SFS) Central Vendor Registry File. Applicants **who do not already have an SFS Vendor ID entered into their application** will be asked to provide the program's Legal Business Name and Taxpayer Identification Number (TIN) used for filing taxes with the Internal Revenue Service (IRS) so that payments can be made to them as a New York State Vendor. You will complete the information on this form within your application **if your**

business organization is known and represented correctly with your regulator. For those who haven't established entity type and/or Taxpayer Identification Number (TIN), this may be submitted later. However, award and payments may not be made without an SFS Vendor ID. The following link to the form is only to show you the information you need to fill out your application. [New York State Substitute Form W-9](#)

If you have any questions on the information required by this form, contact your accountant and/or attorney before completing the application.

- C. ~~For Awards of \$100,000 or more, Not-for-profit vendors must use the Vendor Responsibility Questionnaire Not-For-Profit Business Entity form. For-profit vendors with awards of \$100,000 must use the Vendor Responsibility Questionnaire For-Profit Business Entity form.~~ For **all** awards ~~under \$100,000~~, a limited portion of questions will be required to be answered by providers.

5.3 Application Submittal Process (Amended 3/24/22 and 4/18/22)

How to Submit a Proposal

The online application will be available on the OCFS website on the Application Submission Start Date. Step by step application instructions will be available prior to the application submission period.

In order to access the online proposal and other required documents such as the attachments, you must first:

1. Watch the OCFS Orientation video and submit your request for a license to your regulator. Once you request an application, you will receive a Facility ID number. You will need the Facility ID/registration number to complete the application. For programs applying to become an NYC DOHMH Article 47 day care center, you must attend a pre-permit orientation (check the box next to "Group Child Care and Summer Camp Orientation Sessions", then click "Continue" at the bottom of the page) before applying for a new permit. After you have attended that orientation, you can apply for a permit for a new child care program. **You must submit your application apply for a permit prior to submitting an grant application for this application-grant opportunity.**
2. Review all the questions above and have all the required information together before you start your application. You will also need to have the information required for the forms listed in **Section 5.2, Forms Required Within the Application** that will be included in the application questions.
3. The application will also require that you provide the Tax Identification number, and type (Employer ID No. (EIN), Social Security No. (SSN)

Individual Taxpayer ID No. (ITIN) that will be used to submit tax returns to the Internal Revenue Service and the legal business name. You will also need to determine your business entity type. If you have questions on this information, you should ask your accountant, lawyer or seek information from your Regional Economic Development Council (REDC). This information is available at (<https://regionalcouncils.ny.gov/>), click on Regions to select your region. Please note:

- Late proposals will not be accepted.
- **Proposals must be submitted on the online application and may not be submitted via email, postal delivery, hand delivery, facsimile nor in hard copy format.**

Applications are being accepted from new providers who have completed their orientation, received their facility ID, and are ready to apply. Be sure your correct address is on file with your OCFS assigned regulator or NYCDOHMH prior to applying. Step-by-step instructions on navigating the online application are available on the [Grant Portal Training Resources](#) section of the [Child Care Deserts Grant](#) page. **Submit applications at the online application portal: <https://childcare-grants.ocfs.ny.gov/>.** All applications must be received by OCFS via the [online application portal](#) no later than the **Application Submission Deadline** as specified in **Section 1.2 Calendar of Events**.

Some helpful links for questions of a technical nature are below. Questions regarding specific questions on information in this RFA should be directed to the OCFS contact listed in **Section 1.1 Procurement Integrity/Restrictions on Communication** on page one of this RFA.

6.0 MINIMUM CRITERIA/EVALUATION PROCESS

6.1 Minimum Criteria (Pass/Fail Review Criteria)

Applicants must meet the Minimum Qualifications to submit an application in accordance with **Section 3.1 Minimum Qualifications to Apply** and **Section 3.2 Vendor Responsibility Requirements (All Applicants)**. Bidders not meeting these requirements will not be considered for award.

6.2 Evaluation Process

Application answers will be automatically scored via the electronic application as explained in **Section 5.2 Application Content** and as described in this section as indicated in this document. Award recommendations will be made in score order to all eligible provider modalities (program types) listed in **Section 2.3, Purpose and Funding Availability**, out of the funding available for each program type and REDC.

After the application submission deadline in **Section 1.2 Calendar of Events**,

applications will be ranked in final average score order (from highest to lowest) within each REDC and pre- approvals will be issued. Awards will be made in score order (from highest to lowest) to licensed programs until funding is exhausted.

In the event of a tie between two or more applications, ties will be resolved by awarding in date/time order of application submission.

OCFS reserves the right to make adjustments to the funding amount requested based on programmatic need, funding availability, geographic distribution of awards, and the total dollar values of all applications. In addition, OCFS reserves the right to redistribute funds between the total dollar available for all program modalities, total regional funding amounts and total value of award bonuses if funding is left over to maximize the distribution of available funds. Additionally, unused funding may be redistributed from this RFA to the Invest in NY Child Care Emergency Request for Applications (RFA) for Existing Programs to fully utilize ARPA funding.

Important Notes:

Pre-approval awards do not ensure licensure. Final grant award amounts are contingent on obtaining a license, successful completion of all grant requirements and OCFS determining that the applicant is a responsible vendor.

7.0 MANDATORY AWARD REQUIREMENTS

7.1 Award Readiness

OCFS will rescind the pre-approval letters or awards of selected awardees who cannot successfully complete the licensing process, vendor responsibility requirements or do not comply with the grant requirements included in this RFA.

7.2 Workers Compensation Insurance and Disability Benefits Proof of Coverage Form - Will need to be uploaded to the Application after License Approval for Awards of \$100,000 or above (Amended 3/24/22)

Sections 57 and 220 of the Workers' Compensation Law (WCL) and section 142 of the State Finance Law require that businesses contracting with New York State have and maintain and provide evidence of appropriate workers' compensation and disability benefits insurance coverage. If an award is made from this RFP, updated proof of coverage must be provided after license approval and prior to grant award. Failure to submit the proof will delay the grant award, and may result in the award being rescinded. Municipalities are not required to show proof of coverage.

Please note: The ACCORD form is not acceptable proof of Workers' Compensation or Disability Insurance coverage.

A. Proof of Workers' Compensation Coverage

To comply with coverage provisions of the WCL, the Workers' Compensation Board requires that a business seeking to enter into a state contract, or contract renewal, submit appropriate proof of coverage to the state contracting entity issuing the contract. To prove the awardee has appropriate workers' compensation insurance coverage, submit ONE of the following four forms:

<http://www.wcb.ny.gov/content/main/forms/AllForms.jsp>

- **Form C-105.2** - *Certificate of Workers' Compensation Insurance* issued by private insurance carriers, or **Form U-26.3** issued by the State Insurance Fund; or
- **Form SI-12** - *Certificate of Workers' Compensation Self-Insurance*; or **Form GSI-105.2** *Certificate of Participation in Workers' Compensation Group Self-Insurance*; or
- **CE-200** - *Certificate of Attestation of Exemption from NYS Workers' Compensation and/or Disability Benefits Coverage*.

B. Proof of Disability Benefits Coverage

To comply with coverage provisions of the WCL regarding disability benefits, the Workers' Compensation Board requires that a business seeking to enter into a state contract, or contract renewal, submit appropriate proof of coverage to the state contracting entity issuing the contract. To prove the awardee has appropriate disability benefits insurance coverage, submit ONE of these three forms:

<http://www.wcb.ny.gov/content/main/forms/AllForms.jsp>

- **Form DB-120.1** - *Certificate of Disability Benefits Insurance*; or
- **Form DB-155** - *Certificate of Disability Benefits Self-Insurance*; or
- **CE-200** - *Certificate of Attestation of Exemption from New York State Workers' Compensation and/or Disability Benefits Coverage*.

7.3 Awardee, Contractor, Employee and Volunteer Background Checks

OCFS is responsible for maintaining the safety of the youth served by OCFS programs. NYC DOHMH is responsible for maintaining the safety of the youth served by NYC DOHMH programs.

- 7.3.1 **Criminal History Background Checks** - Any awardee, or employee, volunteer, or, for family day care and group family day care homes, any adult household member of the awardee, must be subject to background screening prior to receiving a license. The screening must include a review of individuals' backgrounds through the following: New York State Justice Center for the Protection of Persons with Special Needs Staff Exclusion List (SEL), New York Statewide Central Register of Child Abuse and

Maltreatment (SCR); a criminal history background check via a vendor that will submit information to both the division of criminal justice services and the federal bureau of investigation, the New York State Sex Offender Registry, and, for individuals who resided out of New York State in the prior 5 years, checks in such states of the criminal history repository, sex offender registry, and child abuse or neglect repository. Additional information regarding how to initiate and complete these checks will be provided as part of the licensing process. OCFS or DOHMH, when applicable, will evaluate the results of the screening and notify the awardee of its determination for each such individual.

7.5 Federal Requirements

See Attachment A-2, *Federal Assurances and Certifications*, which is found at the link in **Section 5.2 Application Content**. Providers will attest to compliance with this document when completing their application for submission.

In addition, review Attachment 5 – American Rescue Plan Act (ARPA) 2021 for additional terms and conditions.

7.6 Required Electronic Payments and Substitute Form W-9 – Will be submitted within Application

The Governor’s Office of Taxpayer Accountability has issued a directive that all state agency and state authority contracts, grants and purchase orders executed after February 28, 2010 shall require vendors, contractors and grantees to accept electronic payment (e-pay).

To assist OSC in this project, applicants must include all required *Substitute Form W-9* information into their application which includes the taxpayer identification number, business name, and business contact person. This data is critical to ensure that the vendor file contains the information state agencies need to contract with and pay vendors.

7.7 Minority and Women-Owned Business Enterprises (MWBE) – Equal Employment Opportunity (EEO) - Requirements and Procedures

7.8.1 New York State Executive Law (Article 15-A)

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations OCFS is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises (“MWBEs”) and the employment of minority group members and women in the performance of OCFS contracts.

7.8.2 MWBE Business Participation Opportunities – OCFS Established Goals

For purposes of this solicitation, OCFS hereby establishes an overall goal of 0 percent for MWBE participation, 0 percent for New York State-certified Minority-Owned Business Enterprise (“MBE”) participation and 0 percent for New York State-certified Women-Owned Business Enterprise (“WBE”) participation (based on the current availability of MBEs and WBEs). A contractor (“Contractor”) on any contract resulting from this procurement (“Contract”) must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this RFA, the respondent agrees that OCFS may withhold payment pursuant to any Contract awarded as a result of this RFA pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: <https://ny.newnycontracts.com>. For guidance on how OCFS will evaluate a Contractor’s “good faith efforts,” refer to 5 NYCRR § 142.8.

The respondent understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25% of the total value of the contract.

7.8 **Service-Disabled Veteran-Owned Business (SDVOB)**

The Service-Disabled Veteran-Owned Business Act, signed into law by Governor Andrew M. Cuomo on May 12, 2014, allows eligible veteran business owners to become certified as a New York State Service-Disabled Veteran-Owned Business (SDVOB) in order to increase the participation of such businesses in New York State's contracting opportunities. The SDVOB Act, which is codified under Article 17-B of the Executive Law, acknowledges that SDVOBs strongly contribute to the economies of the state and the nation. Therefore, and consistent with its Master Goal Plan, OCFS strongly encourages vendors who contract with OCFS to consider the utilization of certified SDVOBs that are responsible and responsive for at least **six (6) percent** of discretionary non-personnel service spending in the fulfillment of the requirements of their contracts with OCFS. Such partnering may include utilizing certified SDVOBs as subcontractors, suppliers, protégés, or in other supporting roles to the maximum extent practical, and consistent with the legal requirements of the State Finance Law and the Executive Law. Certified SDVOBs may be readily identified through the directory of certified businesses at: List of Certified NYS Service-Disabled Veteran-Owned Businesses.
