APPENDIX M

Reasonable Distance, Very Low Income, Family Share, Case Closing and Openings, Recertification Period, Fraud and Abuse Control Activities (Required)

Reasonable Distance

Define “reasonable distance” based on community standards for determining accessible child care.

The following defines “reasonable distance”: Recipients who must travel 60 minutes or more to access child care will not be required to comply with work requirements.

Describe any steps/consultations made to arrive at your definition: Continuing previous defined standards as developed by an agency wide work group.

Very Low Income

Define “very low income” as it is used in determining priorities for child care benefits.

“Very Low Income” is defined as 150% of the State Income Standard.

Family Share

“Family share” is the weekly amount paid towards the costs of the child care services by the child’s parent or caretaker. In establishing family share, your district must select a percentage from 10% to 35% to use in calculating the family share and justify this percentage decision. The weekly family share of child care costs is calculated by applying the family share percentage against the amount of the family’s annual gross income that is in excess of the State Income Standard divided by 52.

Family Share Percentage selected by the county 35%.

Note: The percentage selected here must match the percentage selected in Title XX Program Matrix in WMS.

Case Closings

The district must describe below how priority is given to federally mandated priorities and describe local priorities. If all NYSCCBG funds are committed, the district will discontinue funding to those families that have lower priorities in order to serve families with higher priorities. Describe below how districts will select cases to be closed in the event that there are insufficient or no funds available.

1. Identification of local priorities in addition to the required federal priorities (select one).
 - The district has identified local priorities in addition to the required federal priorities (Complete Section 2)
 - The district has not identified local priorities in addition to the required federal priorities (Complete Section 3).
2. Describe how priority is given to federally mandated priorities and describe local priorities. If all NYSCCBG funds are committed, the district will discontinue funding to those families that have lower priorities in order to serve families with higher priorities. Describe in the space below how the district will select cases to be closed in the event that there are insufficient or no funds available.

a. The district will select cases to be closed based ONLY on income.

No.

Yes. Check 1 or 2 below.

1) The district will close cases from the highest income to lowest income.

2) The district will close cases based on income bands. Describe the income bands, beginning at 200% of the State Income Standard and ending at 100% of the State Income Standard:

Cases with the highest income will be closed first, initially reducing the income level to 175% of the State Income Standards (SIS), then to 150% of SIS, for all families not on temporary assistance. If there are still insufficient funds, the income level would then be reduced to 125% of SIS, followed by a reduction of 100% OF SIS if necessary.

b. The district will select cases to be closed based ONLY on categories of families.

No.

Yes. List the categories in the order that they will be closed, including the optional categories selected in Appendix L:

c. The district will select cases to be closed based on a combination of income and family category.

No.

Yes. List the categories and income groupings in the order that they will be closed:

d. The district will select cases to be closed on a basis other than the options listed above.

No.

Yes. Describe how the district will select cases to be closed in the event that there are insufficient funds to maintain the district's current case load:

e. The last cases to be closed will be those that fall under federal priorities. Identify how your district will prioritize federal priorities. Cases that are ranked 1 will be closed last.

Very low income Rank 1 Rank 2

Families that have a child with special needs Rank 1 Rank 2

3. If all NYSCCBG funds are committed, case closings for families that are not eligible under a child care guarantee and are not a federally mandated priority must be based on the length of time in receipt of services. The length of time used to close cases may be based either on the shortest or longest time the family has received child care services, but must be consistent for all families.
- a. Identify how the district will prioritize federal priorities. Cases that are ranked 1 will be closed last.
- Very low income Rank 1 Rank 2
- Families that have a child with special needs Rank 1 Rank 2
- b. The district will close cases based on the federal priorities and the amount of time the family has been receiving child care services.
- Shortest time receiving child care services
- Longest time receiving child care services
4. The district will establish a waiting list for families whose cases were closed because our county did not have sufficient funds to maintain our current caseload.
- No.
- Yes. Describe how these cases will be selected to be reopened if funds become available:
- Cases will be opened in the reverse order of the closing criteria

Case Openings

Describe below how priority is given to federally mandated priorities and how the district will select cases to be opened in the event that insufficient funds are available.

1. The first cases to be opened will be those that fall under the federal priorities.
- Identify how your district will prioritize federal priorities. Cases that are ranked 1 will be opened first.
- Very low income Rank 1 Rank 2
- Families that have a child with special needs Rank 1 Rank 2
2. The district will select cases to be opened based ONLY on income.

4. The district will select cases to be opened based on a combination of income and category of family.
- No.
- Yes. List the categories and income groupings in the order that they will be opened:
5. The district selects cases to be opened on a basis other than the options listed above.
- No.
- Yes. Describe how the district will select cases to be opened in the event that there are not sufficient funds to open all eligible families:
6. The district will establish a waiting list when there are not sufficient funds to open all eligible cases.
- No.
- Yes. Describe how these cases will be selected to be opened when funds become available:
- See above

The district's recertification period is every six months twelve months

Fraud and Abuse Control Activities

Describe below the criteria the district will use to determine which child care subsidy applications suggest a higher than acceptable risk for fraudulent or erroneous child care subsidy payment in addition to procedures for referring such applications to the district's front-end detection system.

The Daycare Unit will use the attached form (attachment #1) to refer the application to the Case Integrity Unit for their investigation and follow-up. Cases will be referred to the fraud unit when the application is not filled out correctly/fully, when inconsistent information is provided, when there is a history of fraud, when information is provided to the agency that suggests fraud.

Describe the sampling methodology used to determine which cases will require verification of an applicant's or recipient's continued need for child care, including, as applicable, verification of participation in employment, education, or other required activities.

Each recipient of Child Care Subsidy must recertify every 6 months. Proof of employment (4 weeks of recent pay stubs), education, or other required activities as may be described in their Welfare to Work plan must be furnished at that time.

Describe the sampling methodology used to determine which providers of subsidized child care services will be reviewed for the purpose of comparing the child care provider's attendance forms for children receiving subsidized child care services with any Child and Adult Care Food Program inspection forms to verify that child care was actually provided on the days listed on the attendance forms.

The Department will contact Family Enrichment Network, the agency which administers CACFP in Broome County on a quarterly basis to obtain the CACFP inspection checklist. The CACFP will be compared to provider attendance information for the randomly chosen time period. Total cases reviewed per year will be 75% of participating providers.

The daycare unit will conduct Random Audit Inspections on legally exempt providers using the attached audit inspection form (attachment #2). If fraud is found or suspected a referral to the case integrity unit will be made using this form.

APPENDIX N

APPENDIX Q

ADDITIONAL LOCAL STANDARDS FOR CHILD CARE PROVIDERS (OPTIONAL)

The district may propose local standards in addition to the State standards for legally-exempt providers who will receive child care subsidies. This appendix must be completed for **each** additional standard that the district wishes to implement.

1. Check or describe in the space provided below the additional local standards that will be required of child care providers/programs.
 - Verification that the provider has given the parent/caretaker complete and accurate information regarding any report of child abuse or maltreatment in which they are named as an indicated subject
 - Local criminal background check
 - Requirement that providers that care for subsidized children for 30 or more hours a week participate in the Child and Adult Food Care Program (CACFP)
 - Site visits by the local district
 - Other (please describe):

2. Check below the type of child care program to which the additional standard will apply and indicate the roles of the persons to whom it will apply in cases where the standard is person-specific.
 - Legally-exempt family child care program. Check all that apply.
 - Provider Provider's Employee Provider's Volunteer
 - Provider's household member age 18 or older
 - Legally-exempt in-home child care program. Check all that apply.
 - Provider Provider's Employee Provider's Volunteer
 - Legally-exempt group providers not operating under the auspices of another government agency. Check all that apply.
 - Provider Provider's Employee Provider's Volunteer
 - Legally-exempt group providers operating under the auspices of another government or tribal agency. Check all that apply.
 - Provider Provider's Employee Provider's Volunteer

3. Districts are responsible for implementation of the additional local standard unless they have a formal agreement or contract with another organization. Check the organization that will be responsible for the implementation of the additional local standard.

Local social services staff

Provide the name of the unit and contact person: Day Care Unit, Broome County Social Services, Attn: John Choynowski, 171 Front St, Binghamton, NY 13905

Contracted agency

Provide the name of the agency and contact person:

4. Are there any costs associated with the additional standard?

Yes No

Note: Costs associated with the additional standard cannot be passed on to the provider.

5. Describe the steps for evaluating whether the additional local standard has been met.

The individuals check in question #2 above will be asked to sign a release which will allow the Broome County Department of Social Services to conduct a local child welfare database check of the records related to the child care attestations for the sole purpose of verifying the accuracy of the information submitted to the parent/caretaker. Household members 18 years or older will only be required to complete the release when care is not in the home of the child.

If any of the individuals checked in question #2 above refuses to sign the release, which would allow Broome County Department of Social Services to review only the existing local child welfare records related to the child care attestations, the enrollment package will be considered incomplete and the enrollment process cannot move forward and will be withdrawn by the enrollment agency.

When a local database check of the records related to the child care attestations reveal that an individual checked in question #2 above is an indicated subject of a child abuse or maltreatment report the proposed provider will be required to submit to Broome County Department of Social Services a copy of the written statement provided to the parent/caretaker concerning the indicated incident(s). This statement must be signed by the parent/caretaker acknowledging receipt of this information and the parent/caretaker's wish to use this child care provider.

If the information regarding the indicated child protective report submitted by the provider does not substantially correlate with the information obtained from the local database check of the records related to the child care attestations the Broome County Department of Social Services will notify the provider that they have ten (10) calendar days to clarify the discrepancies in the information submitted to the district and parent/caretaker. Within the ten (10) calendar day period the provider must submit information to Broome County Department of Social Services and the parent/caretaker that either substantially correlates with the information obtained by the district's local database check of the records related to the child care attestations or the provider submits information to the district which documents that the information obtained from the local database check of the records related to the child care attestations is inaccurate. If the

provider fails to clarify the discrepancies the Broome County Department of Social Services will notify the Enrollment Agency that the additional standard has not been met.

If the information regarding the indicated child protective report correlates with the information obtained from the local database check and the parent/caretaker still chooses to use the provider, the Enrollment Agency will be notified that the additional standard has been met.

6. Indicate how frequently reviews of the additional standard will be conducted. Check all that apply.

Legally-Exempt Programs:

- Initial enrollment During the 12-month enrollment period
 Re-enrollment Other

7. In the space below, described the procedures the district will use to notify the Legally-Exempt Caregiver Enrollment Agency (EA) as to whether the legally-exempt provider is in compliance with the additional local standards. Districts must notify the EA within 25 days from the date they received the referral from the EA. (Districts need to describe this procedure only if the additional local standard is applied to legally-exempt child care providers.)

Once our Department has determined whether or not the additional local standard has been met using the procedures outlined in number five our Department will notify the Enrollment Agent in writing if the additional local standard has been met or not met. The district will maintain a file, which documents the information used to determine whether or not the additional local standard has been met.

8. Describe the justification for the additional standard in the space below.

The Department of Social Services wants to make sure that providers have told parents about known child protective histories for themselves and any adults 18 years or older residing in the provider's home where child care is to take place.

In rare situations, providers are deemed unsafe to be around any children by the Family and Children Services Units due to a serious child abuse history and the Department wants to make sure parents have a chance to make educated decisions about using providers.
