Appendix M #1: Reasonable Distance, Family Share, Federal and Local Priorities

I. Reasonable Distance for Public Assistance Recipients to Travel to Child Care and Work

Define "reasonable distance" based on community standards for determining accessible child care.

1. The following defines "reasonable distance":

Child care is within a reasonable distance when the provider's location is within 60 minutes travel time by public or private transportation from the participant's home or activity site.

2. Describe any steps / consultations made to arrive at your definition:

Consultation with child care providers and social services staff from the Day Care Unit, Employment Divisions and Temporary Assistance program areas.

II. Family Share

"Family Share" is the weekly amount paid towards the costs of the child care services by the child's parent or caretaker. Your district must select a family share percentage from 1% to 10% to use in calculating the amount of family share. The weekly family share of child care costs is calculated by applying the family share percentage against the amount of the family's annual gross income that is in excess of the State Income Standard divided by 52.

Note: The family share percentage selected here must match the percentage entered in the Program Matrix in the Welfare Management System (WMS) and the Child Care Time and Attendance (CCTA) system.

Family Share Percentage selected by the district:

1%

Additional Description of this Family Share Percentage:

Effective date of 1% Family Share 5/1/2022

III. Federal and Local Priorities

1. The district must rank the federally mandated priorities. Cases that are ranked 1 have the highest priority for receiving child care assistance. These rankings apply to case closings and case openings.

a. Very low income (200% State Income Standard):

Rank 1

Rank 2

Rank 3

b. Families with income up to 200% of the State Income Standard who have a child with special needs and a need for child care:

Rank 1

Rank 2

Rank 3

c. Families with income up to 200% of the State Income Standard who are experiencing homelessness:

Rank 1

Rank 2

Rank 3

2. Does the district have local priorities?

Yes

No

If yes, list them below and rank beginning with Rank 4.

Appendix M #2: Case Openings, Case Closings, and Waiting List

I. Case Openings When Funds Are Limited

If a social services district does not have sufficient funds to provide child care services to all families who are applying, the district may decide to open certain categories of families as funds become available. The district must open federal priorities first. If the district identified local priorities, they must be opened next.

After the federal and local priorities, identify the basis upon which the district will open cases if funds become available. Select one of the options listed below and describe the process for opening.

1. Open cases based on **FIRST COME, FIRST SERVED**.

2. Open cases based on **INCOME**.

If opening based on income...

The district will open cases starting from the lowest income to the highest income.

The district will open cases based on income bands, starting from the lowest income band to the highest income band.

If using income bands, list the bands, starting from the one that will be opened first:

0-99%

100-125%

126-149%

150-174%

175-200%

- 3. Open cases based on **CATEGORY OF FAMILY**.
- 4. Open cases based on **INCOME AND CATEGORY OF FAMILY**.
- 5. Open cases based on **OTHER CRITERIA**.

II. Title XX Case Closings When Sufficient Funds Are Not Available

- The district **does not use** Title XX funds for child care assistance.
- The district **uses** Title XX funds for child care assistance (this option must be checked in Appendix N and Appendix P must be completed).

If the district elects to use Title XX funds to provide child care assistance and the district does not have sufficient funds to continue to provide such assistance to all families in its current caseload, the district may decide to discontinue assistance. The district may establish priorities upon which the district will close cases if sufficient funds are not available. If no priorities are established and all funds are committed, case closings for families must be based on the length of time they have received services (must choose #1 below).

Select one of the options listed below and describe the process for closing.

- 1. Close cases based on **AMOUNT OF TIME** receiving child care services.
If closing based on amount of time...
 - The district will close cases starting from the shortest time receiving child care services to the longest time.
 - The district will close cases starting from the longest time receiving child care services to the shortest time.
- 2. Close cases based on **INCOME**.
- 3. Close cases based on **CATEGORY OF FAMILY**.
- 4. Close cases based on **INCOME AND CATEGORY OF FAMILY**.
- 5. Close cases based on **OTHER CRITERIA**.

III. Waiting List

The district will establish a waiting list when there are not sufficient funds to open all eligible cases.

- Yes
- No

The district will establish a waiting list when there are not sufficient Title XX funds available to open new cases or keep all current cases open.

- Yes
- No

Appendix M #3: Fraud and Abuse Control Activities and Inspections

I. Fraud and Abuse Control Activities

1. Describe below the criteria the district will use to determine which child care subsidy applications suggest a higher than acceptable risk for fraudulent or erroneous child care subsidy payments in addition to procedures for referring such applications to the district's front-end detection system.

The District conducts FEDS investigations on child care subsidy applications if an application contains 1 or more indicator(s) as listed below and the eligibility worker is not confident that the indicator in question has been explained or supported adequately. Once identified, the application is referred to the Special Investigations Division (SID) via the completion of form B-5390 with documentation of the identified indicator for a FEDS investigation. Upon receipt of a child care FEDS referral, an SID Special Investigator is assigned to the case. The Special Investigator schedules an office or home visit with the applicant. The Special Investigator will conduct an investigation and respond to the Day Care Unit within 21 days of the receipt referral as to the findings of the investigation. The eligibility worker will respond to SID within 45 days of the receipt of the findings, by completing the B-5389 SID FEDS/Child CARE Unit Survey Response form and indicating the action taken on the case.

- Information on Child Care Assistance Application is inconsistent with case information
- Applicant indicates he/she is working off the books
- Applicant is self-employed, but cannot provide adequate business records
- Applicant has a prior history of case denial, case closing or overpayment
- Child Care provider lives in the same residence as the child being provided care
- Applicant is employed by the Child Care Facility/provider that the child attends

2. Describe the sampling methodology used to determine which cases will require verification of an applicant's or recipient's continued need for child care, including, as applicable, verification of participation in employment, education, or other required activities.

The district cannot use criteria such as the age of provider, the gender of provider, a post office box address, or evidence that the child lives in the same residence as the provider as indicators in drawing the sample.

All applicants upon approval are subject to an initial 90 day review of income verification to determine continued need for child care assistance.

3. Describe the sampling methodology used to determine which providers of subsidized child care services will be reviewed for the purpose of comparing the child care provider's attendance forms for children receiving subsidized child care services with any Child and Adult Care Food Program inspection forms to verify that child care was actually provided on the days listed on the attendance forms.

A random sample of 25 child care providers will be selected on a quarterly basis for the purpose of comparing the child care provider's attendance forms for children receiving subsidized child care services with any Child and Adult Care Food program inspection forms to verify that child care was actually provided on the days listed on the attendance forms. Any provider selected in the calendar year will not be included in subsequent samples unless a discrepancy is found.

II. Inspections of Child Care Provider Records and Premises

The district may choose to make announced or unannounced inspections of the records and premises of any provider/program that provides child care for subsidized children to determine if the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the social services district per 18 NYCRR §415.4(h)(3).

The district has the right to make inspections *prior to subsidized children receiving care* of any child care

provider, including care in a home, to determine whether the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the district.

The district must report violations of regulations as follows:

1. Violations by a licensed or registered child care provider must be reported to the applicable Office of Children and Families (OCFS) Regional Office.
2. Violations by an enrolled or enrolling legally-exempt child care provider must be reported to the applicable Enrollment Agency.

Does the district choose to make inspections of such child care providers/programs?

- No.
- Yes. Provide the details of your inspections plan below.

Check the organization that will be responsible for conducting inspections:

- Local social services staff
Provide the name of the unit and contact person:
Office of Financial Records Services, Charles Gardinier
- Contracted Agency *(must correspond to Appendix K, Question 3f)*
Provide the name of the agency and contact person:

Appendix Q: Additional Local Standards for Child Care Providers

The district may propose local standards in addition to the State standards for legally-exempt providers who will receive child care subsidies issued by the district. This appendix must be completed for **each** additional local standard that the district wants to implement.

The district must coordinate with the local Enrollment Agency, including, but not limited to:

- Informing the Enrollment Agency of the intent to request an additional standard.
- Developing the stepwise process referenced in Question 5.
- Ensuring that no significant burden of work shall be incurred by the Enrollment Agency as a result of the additional local standard, unless such work is addressed in a separate contract or a formal agreement is in place, which are referenced in Question 3.
- Sharing any consent / release form that may be required.
- Keeping the Enrollment Agency informed of the approval status.

1. Select the additional local standard that will be required of child care providers / programs.

Verification, using the district's local records, that the provider has given the caretaker complete and accurate information regarding any report of child abuse or maltreatment in which he or she is named as an indicated subject *(only applies to legally exempt relative-only family child care and relative only in-home child care)*

Local criminal background check *(only applies to legally exempt relative-only family child care and relative only in-home child care)*

Require providers caring for subsidized children for 30 or more hours a week participate in the Child and Adult Care Food Program (CACFP) *(only applies to family child care programs)*

2a. Exceptions: There may be instances when the district may be unable to enact the additional standard, such as, the applicable person may reside outside of the district's jurisdiction, or the site of care may not be located within the district. In such cases, the district may create an exception to the applicability stated above.

Note: The Child Care Facility System cannot track such exceptions and, therefore, the district remains responsible for notifying the applicable Enrollment Agency, using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, that an additional standard is "not applicable" to the specific provider / person named on the referral list.

Place a check mark below to show any exception to the applicability of this Local Additional Standard to programs or roles previously identified.

- a. The district will not apply this additional local standard when the applicable person **resides** outside of the subsidy-paying district.
- b. The district will not apply this additional local standard when the **program's site of care is located outside** of the subsidy-paying district.

3. Districts are responsible for implementation of the additional local standard unless they have a formal agreement or contract with another organization. Check the organization that will be responsible for the implementation of the additional local standard.

II. Differential Payment Rates

1. Districts must complete the Differential Payment Rate Percent (%) column in the table below for each of the four (4) differential payment rate categories. For the two (2) categories that require a state minimum five percent (5%) differential payment rate, the district must enter "5%" or, if it chooses, a higher rate up to 15%.

The other two (2) differential payment rate categories in the table below are optional. If the district chooses not to set differential payment rates, the district must enter zero. If the district chooses to set a differential payment rate, enter the appropriate percentage up to 15 percent (15%). Note that if the district selects a differential payment rate for nationally accredited programs, then that rate must be in the range of five percent (5%) to 15 percent (15%).

Differential Payment Rate Category	Differential Payment Rate Percent	Instructions
Homelessness: Licensed and Registered Providers State required minimum of 5%	5%	Enter a percentage (%): 5% to 15%. (Must enter at least 5%)
Homelessness: Legally-Exempt Providers	0%	Enter 0% or a percentage (%) up to 15%.
Non-traditional Hours: All Providers State required minimum of 5%	5%	Enter a percentage (%): 5% to 15%. (Must enter at least 5%)
Nationally Accredited Programs: Licensed and Registered Providers <i>Legally-exempt child care providers are not eligible for a differential payment rate for accreditation.</i>	0%	Enter 0% or a percentage (%) from 5% to 15%.

2. Generally, differential payment rates may not exceed 25% above the applicable market rate or actual cost of care. However, a district may request a waiver from the Office to establish a payment rate that is in excess of 25% above the applicable market rate upon showing that the 25% maximum is insufficient to provide access within the district to child care providers or services that offer care addressing more than one of the differential payment rate categories. However, if your district wants to establish a payment rate that is more than 25% above the applicable market rate, describe below why the 25% maximum is insufficient to provide access to such child care providers or services.

V. Sleep

In accordance with SSL 410-w(9), up to eight hours of additional child care assistance must be authorized for all eligible children in a family, as needed, in order to allow a parent or caretaker to sleep, if the parent or caretaker works non-traditional hours, is eligible for and provided with child care assistance, and has a child under the age of six and not in school for a full day.

If the district chooses to expand eligibility for child care assistance beyond the requirements of SSL 410-w(9), in order to allow a parent or caretaker who works non-traditional hours to sleep, please describe below:

Early Head Start Child Care Partnership:

Family co-pay-waive 18 NYCEE 415.3(e) which requires that each family receiving child care services, with the exception of a family on Temporary Assistance, pay a family share based on income. This waiver pertains only to families participating in an Early Head Start Child Care Partnership program.

Flexibility in eligibility periods-waive 18 NYCEE 404.1(d) which requires that redetermination be made not less than every 12 months. This waiver will allow districts to match child care eligibility periods to the Early Head Start Child Care Partnership program period regardless of disruptions in the parent's eligibility. The waiver only applies to the child(ren) participating in an Early Head Start Child Care Partnership program.

Flexibility in reporting changes in family circumstances-waive 18 NYCRR 415.4(b)(2), which requires applicants and recipients to report changes that affect the family's need or eligibility for child care services. ECDSS will continue to require the reporting of income verification requirements and will determine on a case by case if this waiver would pertain only if a child(ren) is participating in an Early Head Start child Care Partnership program.
