Appendix M #1: Reasonable Distance, Recertification Period, Family Share, Very Low Income, Federal and Local Priorities

I. Reasonable Distance

Define "reasonable distance" based on community standards for determining accessible child care.

1. The following defines "reasonable distance":

One hour travel time - one way. Additional travel time may be authorized at the sole discretion of the Department based on verifiable supporting documentation provided by the client (per 16-OCFS-LCM-19).

2. Describe any steps/consultations made to arrive at your definition:

Consultation with employment staff who have years of experience with the issue of travel time.

II. Recertification Period

The district's recertification period for low income child care cases is every:

- Six months
- Twelve months

III. Family Share

"Family Share" is the weekly amount paid towards the costs of the child care services by the child's parent or caretaker. Your district must select a family share percentage from 10% to 35% to use in calculating the amount of family share. The weekly family share of child care costs is calculated by applying the family share percentage against the amount of the family's annual gross income that is in excess of the State

Income Standard divided by 52.

Family Share Percentage selected by the district:

20%

Additional Description of this Family Share Percentage:

Note: The family share percentage selected here must match the percentage entered in the Program Matrix in the Welfare Management System (WMS).

IV. Very Low Income

Define "very low income" as it is used in determining priorities for child care benefits.

"Very Low Income" is defined as **175%** of the State Income Standard.

V. Federal and Local Priorities

1. The district must rank the federally mandated priorities. Cases that are ranked 1 have the highest priority for receiving child care assistance. These rankings apply to case closings and case openings.

a. Very low income as defined in Section IV:

Rank 1

Rank 2

Rank 3

b. Families with incomes up to 200% of the State Income Standard that have a child with special needs and a need for child care:

Rank 1

Rank 2

Rank 3

c. Families with incomes up to 200% of the State Income Standard that are experiencing homelessness:

Rank 1

Rank 2

Rank 3

2. Does the district have local priorities?

Yes

No

If yes, list them below and rank beginning with Rank 4.

Appendix M #2: Case Openings, Case Closings, and Waiting List

I. Case Openings When Funds Are Limited

If a social services district does not have sufficient funds to provide child care services to all families who are applying, the district may decide to open certain categories of families as funds become available. The district must open federal priorities first. If the district identified local priorities, they must be opened next. **After the federal and local priorities**, identify the basis upon which the district will open cases if funds become available. Select one of the options listed below and describe the process for opening.

- 1. Open cases based on **FIRST COME, FIRST SERVED**.
- 2. Open cases based on **INCOME**.

If opening based on income...

- The district will open cases starting from the lowest income to the highest income.
- The district will open cases based on income bands, starting from the lowest income band to the highest income band.

If using income bands, list the bands, starting from the one that will be opened first:

Rank 1: 0%-25%;
Rank 2: 26%-50%;
Rank 3: 51%-75%;
Rank 4: 76%-100%;
Rank 5: 101%-105%;
Rank 6: 106%-110%;
Rank 7: 111%-115%;
Rank 8: 116%-120%;
Rank 9: 121%-125%;
Rank 10: 126%-130%;
Rank 11: 131%-135%;
Rank 12: 136%-140%;
Rank 13: 141%-145%;
Rank 14: 146%-150%;
Rank 15: 151%-155%;
Rank 16: 156%-160%;
Rank 17: 161%-165%;
Rank 18: 166%-170%;
Rank 19: 171%-175%;
Rank 20: 176%-180%;
Rank 21: 181%-185%;
Rank 22: 186%-190%;
Rank 23: 191%-195%;
Rank 24: 196%-200%

- 3. Open cases based on **CATEGORY OF FAMILY**.
- 4. Open cases based on **INCOME AND CATEGORY OF FAMILY**.

- 5. Open cases based on **OTHER CRITERIA**.

II. Case Closings When Sufficient Funds Are Not Available

If a social services district does not have sufficient funds to continue to provide child care assistance to all families in its current caseload, the district may decide to discontinue child care assistance to certain categories of families. The district must close federal priorities last. If the district identified local priorities, they must be closed next to last. **After the federal and local priorities**, describe the basis upon which the district will close cases if sufficient funds are not available.

If no priorities are established beyond the federally mandated priorities and all funds are committed, case closings for families that are not eligible under a child care guarantee and are not under a federally mandated priority must be based on the length of time they have received services (must choose #1 below).

Select one of the options listed below and describe the process for closing.

- 1. Close cases based on **AMOUNT OF TIME** receiving child care services.
- 2. Close cases based on **INCOME**.

If closing based on income...

- The district will close cases starting from the highest income to the lowest income.
- The district will close cases based on income bands, starting from the highest income band to the lowest income band.

If using income bands, list the bands, starting from the one that will be closed first:

- Rank 1: 196%-200%;
- Rank 2: 191%-195%;
- Rank 3: 186%-190%;
- Rank 4: 181%-185%;
- Rank 5: 176%-180%;
- Rank 6: 171%-175%;
- Rank 7: 166%-170%;
- Rank 8: 161%-165%;
- Rank 9: 156%-160%;
- Rank 10: 151%-155%;
- Rank 11: 146%-150%;
- Rank 12: 141%-145%;
- Rank 13: 136%-140%;
- Rank 14: 131%-135%;
- Rank 15: 126%-130%;
- Rank 16: 121%-125%;
- Rank 17: 116%-120%;
- Rank 18: 111%-115%;
- Rank 19: 106%-110%;
- Rank 20: 101%-105%;
- Rank 21: 76%-100%;
- Rank 22: 51%-75%;
- Rank 23: 26%-50%;
- Rank 24: 0%-25%

- 3. Close cases based on **CATEGORY OF FAMILY**.

- 4. Close cases based on **INCOME AND CATEGORY OF FAMILY**.
- 5. Close cases based on **OTHER CRITERIA**.

III. Waiting List

The district will establish a waiting list when there are not sufficient funds to open all eligible cases.

- No
- Yes

Appendix M #3: Fraud and Abuse Control Activities and Inspections

I. Fraud and Abuse Control Activities

1. Describe below the criteria the district will use to determine which child care subsidy applications suggest a higher than acceptable risk for fraudulent or erroneous child care subsidy payments in addition to procedures for referring such applications to the district's front-end detection system.

The following case circumstances have proved to be possible indications of fraud and are used as a basis for referral to the Department's Front End Detection System (FEDS): income documentation is questionable (i.e., income is significantly less than what is customary for the occupation, such as house-cleaners who earn \$25 a day, limousine drivers or hairdressers who never get tips, or employees in the same job for years and never receive a raise), self-employment, "off-the-books" employment, case information inconsistent with prior record, household composition is questionable (i.e., absent parent suspected of being in the home), residence questionable, and lack of ability of second parent to provide child care is questionable.

2. Describe the sampling methodology used to determine which cases will require verification of an applicant's or recipient's continued need for child care, including, as applicable, verification of participation in employment, education, or other required activities.

The district cannot use criteria such as the age of provider, the gender of provider, a post office box address, or evidence that the child lives in the same residence as the provider as indicators in drawing the sample.

Non-Temporary Assistance (NTA) Child Care cases including Transitional Day Care (TDC) Cases are subject to full recertification at 12 month intervals. Full recertification will be performed on 100% of the cases at the 12 month interval. SCDSS requires that 20 child care cases at the mid-point (6 month) mark be reviewed each month for programmatic and financial eligibility. These randomly selected cases are in addition to those cases due for their annual recertification in the given month.

Temporary Assistance (TA) Child Care cases will be recertified at 12 month intervals. Verification of planned enrollment in required activities is required prior to child care service authorization. Verification of attendance in approved activities is required on all TA child care cases prior to payment authorization.

3. Describe the sampling methodology used to determine which providers of subsidized child care services will be reviewed for the purpose of comparing the child care provider's attendance forms for children receiving subsidized child care services with any Child and Adult Care Food Program inspection forms to verify that child care was actually provided on the days listed on the attendance forms.

The Child Care Council of Suffolk's Child and Adult Care Food Program (CACFP) conducts inspections of home-based child care providers who are enrolled in CACFP. During the inspection process, monitors determine if the children in care are receiving child care subsidy. A notation is made on the on-site inspection report indicating which children receive child care subsidy. These reports are made available to Suffolk County Department of Social Services. There are currently 301 child care providers in Suffolk County participating in the CACFP. Each quarter, the Suffolk County Department of Social Services will randomly sample 5% of the provider's attendance sheets and match them against the meal counts reported to the Child Care Council of Suffolk. DSS will not review a provider's meal count more than once per year, unless there have been irregularities in their reporting.

II. Inspections of Child Care Provider Records and Premises

The district may choose to make announced or unannounced inspections of the records and premises of any provider/program that provides child care for subsidized children to determine if the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the social services district per 18 NYCRR §415.4(h)(3).

The district has the right to make inspections *prior to subsidized children receiving care* of any child care provider, including care in a home, to determine whether the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the district.

The district must report violations of regulations as follows:

1. Violations by a licensed or registered child care provider must be reported to the applicable Office of Children and Families (OCFS) Regional Office.
2. Violations by an enrolled or enrolling legally-exempt child care provider must be reported to the applicable Enrollment Agency.

Does the district choose to make inspections of such child care providers/programs?

- No.
- Yes. Provide the details of your inspections plan below.

The following types of subsidized child care providers/programs are subject to this requirement:

Legally-Exempt Child Care

- In-Home
- Family Child Care
- Group programs not operating under the auspices of another government agency
- Group programs operating under the auspices of another government agency

Licensed or Registered Child Care

- Family Day Care
- Registered School-Age Child Care
- Group Family Day Care
- Day Care Centers

Appendix Q: Additional Local Standards for Child Care Providers

The district may propose local standards in addition to the State standards for legally-exempt providers who will receive child care subsidies issued by the district. This appendix must be completed for **each** additional local standard that the district wants to implement.

The district must coordinate with the local Enrollment Agency, including, but not limited to:

- Informing the Enrollment Agency of the intent to request an additional standard.
- Developing the stepwise process referenced in Question 5.
- Ensuring that no significant burden of work shall be incurred by the Enrollment Agency as a result of the additional local standard, unless such work is addressed in a separate contract or a formal agreement is in place, which are referenced in Question 3.
- Sharing any consent/release form that may be required.
- Keeping the Enrollment Agency informed of the approval status.

1. Select the additional local standard that will be required of child care providers/programs.

- Verification, using the district's local records, that the provider has given the caretaker complete and accurate information regarding any report of child abuse or maltreatment in which he or she is named as an indicated subject
- Local criminal background check
- Require providers caring for subsidized children for 30 or more hours a week participate in the Child and Adult Care Food Program (CACFP).

Note that districts are required to notify the Enrollment Agency, using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, of all providers on the referral list for whom the requirement is "not applicable."

2a. Exceptions: There may be instances when the district may be unable to enact the additional standard, such as, the applicable person may reside outside of the district's jurisdiction, or the site of care may not be located within the district. In such cases, the district may create an exception to the applicability stated above.

Note: The Child Care Facility System cannot track such exceptions and, therefore, the district remains responsible for notifying the applicable Enrollment Agency, using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, that an additional standard is "not applicable" to the specific provider/person named on the referral list.

Place a check mark below to show any exception to the applicability of this Local Additional Standard to programs or roles previously identified.

- a. The district will not apply this additional local standard when the applicable person **resides** outside of the subsidy-paying district.
- b. The district will not apply this additional local standard when the **program's site of care is located outside** of the subsidy-paying district.
- c. The district will not apply this additional local standard when **the informal provider is younger than 18 years** of age.

3. Districts are responsible for implementation of the additional local standard unless they have a formal agreement or contract with another organization. Check the organization that will be responsible for the implementation of the additional local standard.

- Local social services staff
Provide the name of the unit and contact person:
Child Care Unit, Carleen Newlands

Provide the name of the agency and contact person:

Note: Costs associated with the additional local standard cannot be passed on to the provider.

4. Are there any fees or other costs associated with the additional local standard?

- Yes
- No

Note: Costs associated with the additional local standard cannot be passed on to the provider.

5. Describe, in chronological order, the steps for conducting the additional local standard. Include all agencies involved and their roles. Note that the district's procedures must be in accordance with 12-OCFS-LCM-01.

To initiate the additional standards check, per NYS OCFS policy, the Child Care Facility System will automatically generate the referral for the applicable child care program types and individual roles, specified in question # 2 above, to the local district. The local district must run the Legally-Exempt Additional Standards Referral List in CCFS to obtain the list of enrolling/enrolling/re-enrolling legally-exempt family child care providers and legally-exempt in-home child care providers for whom a determination is required.

The roles of the persons that are checked in question #2 above must submit an original document to be copied by the local district or a copy of one of the following forms of documentation for the district to verify his/her identity:

Upon the parent choosing a legally exempt provider, the District will mail a legally exempt application packet to the parent. New providers will be advised of the additional standard at the time of their application to become a legally-exempt provider. The requirement for submission of proof of identity to the local district at the time of application will be indicated in the application materials along with a list of acceptable forms of documentation to verify the provider's identity. The prospective provider will be advised that submission of proof of identity is required. The District will require the provider to return the proof of identity directly to the District.

The enrollment packet will be submitted to the enrollment agency

The District will advise the enrollment agency when proof of identity is received. For legally-exempt family child care providers and for legally exempt in-home child care providers, the district will determine whether the additional standard was "Met," "Not Met" or "Not Applicable" and will record the results on the OCFS-2114 District Notification To Legally-Exempt Caregiver Enrollment Agency form. The district will notify the enrollment agency within 25 days from the date of the CCFS E-Notice referral date and maintain a file which documents how the determination was made as to whether the additional local standard was "Met" or "Not Met" or "Not Applicable"

The standard is "Met" when:

The legally-exempt child care providers to whom this additional standard applies as indicated in question #2, have submitted the required documentation listed in question #5 to the district.

The standard is considered to be "Not Met" when:

The legally-exempt child care providers to whom this additional standard applies as indicated in question #2, have failed to submit the required documentation listed in question #5 to the district.

The standard is considered to be "Not Applicable" to:

- Those persons whose role is NOT checked in question #2.

6. Indicate how frequently the additional local standard will be applied. Answer both questions.

1. The Standard will be applied:

- At initial enrollment and re-opening

2. The district will assess compliance with the additional local standard:

*During the enrollment **review** period, and the district will notify the Enrollment Agency of the results within 25 days from the E-Notice referral date.*

During the 12-month enrollment period, and the district will notify the Enrollment Agency of the results promptly. Note that this option is always applicable to an additional local standard requiring participation in CACFP.

7. Describe the justification for the additional local standard in the space below.

Suffolk County Department of Social Services requests verification of the provider's identity in order to deter fraud.

The district may propose local standards in addition to the State standards for legally-exempt providers who will receive child care subsidies issued by the district. This appendix must be completed for **each** additional local standard that the district wants to implement.

The district must coordinate with the local Enrollment Agency, including, but not limited to:

- Informing the Enrollment Agency of the intent to request an additional standard.
- Developing the stepwise process referenced in Question 5.
- Ensuring that no significant burden of work shall be incurred by the Enrollment Agency as a result of the additional local standard, unless such work is addressed in a separate contract or a formal agreement is in place, which are referenced in Question 3.
- Sharing any consent/release form that may be required.
- Keeping the Enrollment Agency informed of the approval status.

1. Select the additional local standard that will be required of child care providers/programs.

Upon the parent choosing a legally exempt provider, the District will mail a legally exempt application packet to the parent. New providers will be advised of the additional standard at the time of their application to become a legally-exempt provider. The requirement for submission of proof of the location where the child care is being provided to the local district at the time of application will be indicated in the application materials along with a list of acceptable forms of documentation to verify the location where the child care is being provided. The District will require the provider to return the proof of location where child care is provided directly to the District. The enrollment packet will be submitted to the enrollment agency (The Child Care Council of Suffolk). The District will advise the enrollment agency when proof of location where child care is provided is received.

For legally-exempt family child care providers, the district will determine whether the additional standard was "Met," "Not Met" or "Not Applicable" and will record the results on the OCFS-2114 District Notification To Legally-Exempt Caregiver Enrollment Agency form. The district will notify the enrollment agency within 25 days of the CCFS E-Notice Referral date from the enrollment agency and maintain a file which documents how the determination was made as to whether the additional local standard was "Met" or "Not Met" or "Not Applicable."

The standard is "Met" when:

1. Are there circumstances where the district will reimburse for transportation?

- No
- Yes

2. If the district will reimburse for transportation, describe any circumstances and limitations the district will use to reimburse. Include what type of transportation will be reimbursed (public and/or private) and how much your district will pay (per mile or trip). Note that if the district is paying for transportation, the Program Matrix in the Welfare Management System (WMS) should reflect this choice.

II. Differential Payment Rates

1. Districts must complete the Differential Payment Rate Percent (%) column in the table below for each of the four (4) differential payment rate categories. For the two (2) categories that require a state minimum five percent (5%) differential payment rate, the district must enter "5%" or, if it chooses, a higher rate up to 15%.

The other two (2) differential payment rate categories in the table below are optional. If the district chooses not to set differential payment rates, the district must enter zero. If the district chooses to set a differential payment rate, enter the appropriate percentage up to 15 percent (15%). Note that if the district selects a differential payment rate for nationally accredited programs, then that rate must be in the range of five percent (5%) to 15 percent (15%).

Differential Payment Rate Category	Differential Payment Rate Percent	Instructions
Homelessness: Licensed and Registered Providers State required minimum of 5%	5%	Enter a percentage (%): 5% to 15%. (Must enter at least 5%)
Homelessness: Legally-Exempt Providers	0%	Enter 0% or a percentage (%) up to 15%.
Non-traditional Hours: All Providers State required minimum of 5%	5%	Enter a percentage (%): 5% to 15%. (Must enter at least 5%)
Nationally Accredited Programs: Licensed and Registered Providers <i>Legally-exempt child care providers are not eligible for a differential payment rate for accreditation.</i>	0%	Enter 0% or a percentage (%) from 5% to 15%.

2. Generally, differential payment rates may not exceed 25% above the applicable market rate or actual cost of care. However, a district may request a waiver from the Office to establish a payment rate that is in excess of 25% above the applicable market rate upon showing that the 25% maximum is insufficient to provide access within the district to child care providers or services that offer care addressing more than one of the differential payment rate categories. However, if your district wants to establish a payment rate that is more than 25% above the applicable market rate, describe below why the 25% maximum is insufficient to provide access to such child care providers or services.

III. Increased Enhanced Market Rate for Legally-Exempt Family and In-Home Child Care Providers

1. The enhanced market rate for legally-exempt family and legally-exempt in-home child care providers who have completed 10 or more hours of training annually is a 70% differential applied to the market rates established for registered family day care. Indicate if the district is electing to establish a payment rate that is in excess of the enhanced market rate for legally-exempt family and in-home child care providers who have completed 10 or more hours of training annually and the training has been verified by the legally-exempt caregiver enrollment agency.

- No
- Yes

2. If yes, indicate the percent (71%–75%), not to exceed 75% of the child care market rate established for registered family day care.

%

IV. Enhanced Market Rates for Legally-Exempt Group Child Care Programs

Answer both questions:

1. Indicate if the district is electing to establish an enhanced market rate for child care services provided by legally-exempt group child care programs that have prepared an approved health care plan and have at least one caregiver in each classroom with age appropriate cardiopulmonary resuscitation (CPR) certification and the enhanced requirements have been verified by the enrollment agency.

- No
- Yes

If yes, indicate the percent (76%–81%), not to exceed 81% of the applicable market rate for day care centers.

%

2. Indicate if the district is electing to establish an enhanced market rate for child care services provided by legally-exempt group child care programs when, in addition to the training required in 18 NYCRR §415.4(f), the caregiver has completed an approved course and a minimum of 15 hours of approved training annually and each employee with a caregiving role completes a minimum of 5 hours of approved training annually and the enhanced requirements have been verified by the enrollment agency.

- No

Yes

If yes, indicate the percent (76%–81%), not to exceed 81% of the applicable market rate for day care centers.

%

If a district chooses to establish both legally-exempt group child care enhanced rates and a program is eligible for both enhanced rates, then the enhanced market rate must be based on the percentages selected for each individual market rate, up to a maximum of 87%.

V. Sleep

1. Does the district choose to pay for child care services while a caretaker that works a second or third shift sleeps?

No

Yes

2. The following describes the standards the district will use to evaluate whether to pay for child care services while a caretaker that works a second or third shift sleeps, as well as any limitations pertaining to payment:

3. Indicate the number of hours allowed by your district per day (maximum number of hours allowed is eight).

Appendix U: Child Care Exceeding 24 Hours, Child Care Services Unit, Waivers, and Breaks in Activities

I. Child Care Exceeding 24 Hours

1. Child care services may exceed 24 consecutive hours when such services are provided on a short-term emergency basis or in other situations where the caretaker's approved activity necessitates care for 24 hours on a limited basis. Check below under what circumstances the district will pay for child care exceeding 24 hours.

On a short-term or emergency basis

The caretaker's approved activity necessitates care for 24 hours on a limited basis

2. Describe any limitations on the payment of child care services that exceed 24 consecutive hours.

Authorization is solely at the Department's discretion.

II. Child Care Services Unit (CCSU)

1. Indicate below if your district will include 18-, 19-, or 20-year-olds in the CCSU for determining family size and countable family income.

a. The district will include the following in the CCSU (check all that apply)

- 18-year-olds
- 19-year-olds
- 20-year-olds

OR

b. The district will only include the following in the CCSU when it will benefit the family (check all that apply)

- 18-year-olds
- 19-year-olds
- 20-year-olds

2. Describe the criteria your district will use to determine whether or not 18-, 19-, or 20-year olds are included in the CCSU.

An 18, 19 or 20 year old will be included if their parents are supporting them. Self-supporting 18, 19 or 20 year olds will be excluded.

III. Waivers

1. Districts have the authority to request a waiver of any regulatory provision that is non-statutory. The waiver must be approved by OCFSS before it can be implemented. Describe and justify why your district is requesting a waiver.

For EHS-CC Partnership Program participating families only and for the specific child(ren) in this program:

Family co-pay

Waive 18 NYCRR § 415.3(e) which requires that each family receiving child care services, with the exception of a family on temporary assistance, pay a family share based on income. This waiver pertains only to families in receipt of child care in lieu of Temporary Assistance, and only for the child(ren) participating in an Early Head Start Child Care Partnership program. This waiver would NOT apply to households that move out of Suffolk County.

Flexibility in eligibility periods

Waive 18 NYCRR § 404.1(d) which requires that redetermination be made not less than every 12 months. This waiver will allow districts to match child care eligibility periods to the Early Head Start Child Care Partnership program period regardless of disruptions in the parent's eligibility. This waiver only applies to the child(ren) participating in an Early Head Start-Child Care Partnerships. This waiver would NOT apply to households that move out of Suffolk County.

Flexibility in reporting changes in family circumstances

Waive 18 NYCRR § 415.3(b) which requires that applicants are responsible for providing accurate, complete and current information regarding family income and composition, child care arrangements and any other circumstances related to the family's eligibility for child care services, and for notifying the social services district immediately of any changes in such information.

The waiver would relax the income documentation/verification requirements and revise the redetermination process to relax/eliminate the need for parents to report even small changes in their circumstances that lead to a loss of eligibility for child care. This waiver would pertain only if the parent only has a child participating in an Early Head Start Child Care Partnership program.

This waiver would NOT apply to households that move out of Suffolk County. The household MUST immediately inform Suffolk County Department of Social Services when it moves out of Suffolk County.

The purpose of the above waivers is to encourage participation in the new Early Head Start Child Care Partnerships by allowing flexibility in areas that will promote continuity of service to children.

IV. Breaks in Activities

1. Districts may pay for child care services for low-income families during breaks in activities either for a period not to exceed two weeks or for a period not to exceed four weeks when child care arrangements would otherwise be lost and the subsequent activity is expected to begin within that period. If your district will pay for breaks in activities, indicate below for how long of a break that the district will pay for (check one):

Two weeks

Four weeks

2. Districts may provide child care services while the caretaker is waiting to enter an approved activity or employment or on a break between approved activities. The following low-income families are eligible for child care services during a break in activities (check all that are eligible):

Entering an activity

Waiting for employment

On a break between activities
